Welcome to our school!

We are so glad you have chosen our school for your child's education.

A LITTLE BIT OF HISTORY:

The Knights Ferry Elementary School was established in 1854 and held classes at the end of a stable located where the *The River's Edge* restaurant now stands. It has seen many structures throughout the years and is currently at this beautiful hilltop location overlooking the town. The community, parents, staff and students take pride in our "Little School on the Hill" which it is commonly known to many who come to visit.
