

## PARENT NOTICE OF RIGHTS AND RESPONSIBILITIES

State law requires that parents or guardians be notified of their rights and responsibilities in certain matters pertaining to their children's education.

1. **Absence for Religious Exercises and Instruction:** Pupils may be excused, with written permission from a parent or guardian, in order to participate in religious exercises or receive moral and religious instruction away from school property. Every pupil so excused must attend at least the minimum school day. No pupil shall be excused from school for such purpose on more than four days per school month. (Ed. Code, § 46014)
2. **Comprehensive Sexual Health Education and HIV/AIDS Prevention Education:** A parent or guardian has the right to excuse their child from comprehensive sexual health education, human immunodeficiency virus ("HIV") prevention education, and assessments related to that education. A parent or guardian who wishes to exercise this right must state their request in writing. (Ed. Code, § 51938) A parent or guardian may inspect the written and audiovisual educational materials used in comprehensive sexual health education and HIV and acquired immunodeficiency syndrome ("AIDS") prevention education. Parents have a right to request that the District provide them with a copy of the California Healthy Youth Act. (Ed. Code, § 51930 et. seq.)

Parents or guardians shall be notified in writing if the District plans to administer an anonymous, voluntary and confidential test, questionnaire, or survey containing age-appropriate questions about the pupils' attitudes concerning or practices related to sex in grades 7 to 12 and given the opportunity to review the test, questionnaire, or survey. A parent or guardian has the right to excuse their child from the test, questionnaire, or survey by stating their request in writing. (Ed. Code, § 51938)

Every child's parent will be notified prior to the commencement of any comprehensive sexual health education and HIV/AIDS prevention education instruction whether the instruction will be taught by District personnel or by outside consultants. If outside consultants or guest speakers are used, the notice shall include the date of the instruction, and the name of the organization or affiliation of each guest speaker will be identified. Parents have a right to request that the District provide them with a copy of Education Code sections 51933, 51934, and 51938. (Ed. Code, § 51938) If arrangements for instruction by outside consultants or guest speakers are made after the beginning of the school year, the Superintendent or designee shall notify parents/guardians no less than 14 days before instruction is given. (Ed. Code, § 51938)

3. **Excuse from Instruction in Health:** Upon written request of a parent or guardian, a pupil may be excused from any part of instruction in health which conflicts with the parent(s)' or guardian(s)' religious training or beliefs (including personal moral convictions). (Ed. Code, § 51240)
4. **Administration of Medication:** Medication prescribed by a physician or ordered by a physician assistant for a child may be administered during the school day by the school nurse or other designated school personnel, or the student may carry and self-administer a

prescription epinephrine delivery system, but only if the parent consents in writing and provides detailed written instructions from a physician, or a physician assistant as specified by law.

In order for a student to be assisted by a school nurse or other designated school personnel, the District must obtain both (1) a written statement from the physician and surgeon or physician assistant detailing the name of the medication, method, amount, and time schedules by which the medication is to be taken, and (2) a written statement from the parent, foster parent, or guardian indicating the desire that the District assist the student in the matters set forth in the statement of the physician and surgeon or physician assistant.

In order for a child to carry and self-administer a prescription epinephrine delivery system, the District must obtain both (1) a written statement from the physician and surgeon or physician assistant detailing the name of the medication, method, amount, and time schedules by which the medication is to be taken, and confirming that the student is able to self-administer the epinephrine delivery system, and (2) a written statement from the parent, foster parent, or guardian consenting to the self-administration, providing a release for the school nurse or other designated school personnel to consult with the health care provider of the student regarding any questions that may arise regarding the medication, and releasing the District and school personnel from civil liability if the self-administering student suffers an adverse reaction as a result of self-administering medication pursuant to this section.

The written statements specified in this section shall be provided at least annually and more frequently if the medication, dosage, frequency of administration, or reason for administration changes. Forms for administering medication may be obtained from the school secretary. A student may be subject to disciplinary action if the student uses an epinephrine delivery system in a manner other than as prescribed. (Ed. Code, §§ 49423, 49423.5)

5. **Students on Medication:** Parents are to notify the school nurse or other designated certificated school employee if their child is on a continuing medication regimen. This notification shall include the name of the medication being taken, the dosage, and the name of the supervising physician. With parental consent, the school nurse may confer with the physician regarding possible effects of the drug, including symptoms of adverse side effects, omission or overdose and counsel with school personnel as deemed appropriate. (Ed. Code, §§ 49423, 49480)
6. **Immunizations:** The District shall exclude from school any pupil who has not been immunized properly, unless the pupil is exempted from the immunization requirement pursuant to Chapter 1 (commencing with section 120325) of part 2 of division 105 of the Health and Safety Code. The immunization exemption based on personal beliefs has been eliminated. (Health & Saf. Code, § 120335) A student who, prior to January 1, 2016, submitted a letter or affidavit on file at the District, stating beliefs opposed to immunization, is permitted to enroll in that institution until the student enrolls in the next grade span. Grade span means: 1) birth to preschool; 2) kindergarten and grades 1

through 6, inclusive, including transitional kindergarten; and 3) grades 7 through 12, inclusive. On or after July 1, 2016, the District shall exclude from school for the first time or deny admittance or deny advancement to any student to the 7<sup>th</sup> grade unless the student has been immunized for their age as required by law. (Health & Saf. Code, § 120335) A student may still be exempted from the immunization requirement based on medical condition or circumstances. A licensed physician or surgeon must transmit a completed medical exemption certification form from the California Department of Public Health directly to the local educational agency and the California Immunization Registry. The standardized medical exemption form shall be the only documentation of a medical exemption that shall be accepted by the District. (Health & Saf. Code, §§ 120370, 120372)

A parent or guardian may consent in writing for a physician, surgeon, or health care practitioner acting under the direction of a supervising physician and surgeon to administer an immunizing agent to a pupil at school. The health care practitioner may administer immunizations for the prevention and control of diseases that present a current or potential outbreak as declared by a federal, state, or local public health officer. (Ed. Code, §§ 48216, 48980(a), 49403; Health & Saf. Code, §§ 120325, 120335)

Students are advised to adhere to current immunization guidelines regarding full human papillomavirus (“HPV”) immunization before admission or advancement to the eighth-grade level. HPV vaccination can prevent over 90 percent of cancers caused by HPV. HPV vaccines are very safe, and scientific research shows that the benefits of HPV vaccination far outweigh the potential risks. A fact sheet has been attached describing the benefits of an HPV vaccination. (Ed. Code, § 48980.4, Health & Saf. Code, § 120336)

7. **Physical Exams and Testing:** The District is required to conduct certain physical examinations and vision and hearing testing of students, unless the parent has a current written objection on file. However, the child may be sent home if they are believed to be suffering from a recognized contagious or infectious disease, and shall not be permitted to return until the school authorities are satisfied that any contagious or infectious disease does not exist. (Ed. Code, §§ 49451, 49452, 49452.5, 49455; Health & Saf. Code, § 124085) The District may provide for scoliosis screening of every female student in grade 7 and every male student in grade 8. (Ed. Code, § 49452.5)
8. **Confidential Medical Services:** For students in grades 7 through 12, the District may release a student for the purpose of obtaining confidential medical services without obtaining the consent of the student’s parent or guardian. (Ed. Code, § 46010.1)
9. **Medical Coverage for Injuries:** Medical and hospital services for pupils injured at school or school-sponsored events, or while being transported, may be insured at parent’s expense. No pupil shall be compelled to accept such services without their consent or, if the pupil is a minor, without the consent of a parent or guardian. (Ed. Code, § 49472)
10. **Accidental Injury Insurance:** The District does not provide medical and hospital services for students injured while participating in athletic activities. **Under state law, school districts are required to ensure that all members of school athletic teams have**

**accidental injury insurance that covers both medical and hospital expenses. This insurance requirement can be met by the school district offering insurance or other health benefits that cover medical and hospital expenses. Some pupils may qualify to enroll in no-cost or low-cost local, state, or federally sponsored health insurance programs. Information about these programs may be obtained by calling Healthy Families at 1-866-294-4347. (Ed. Code, §§ 32221.5, 49470, 49471)**

11. **Mental Health Services:** The District shall notify pupils and parents or guardians no less than twice each school year of the steps to initiate access to available pupil mental health services on campus and/or in the community. (Ed. Code, § 49428) The mental health services available include counseling services. To initiate services, a parent or student may request services for their child.
  
12. **Services for Students with Exceptional Needs or a Disability:** State and federal law require that a free and appropriate public education (FAPE) in the least restrictive environment be offered to qualified pupils with disabilities ages 3 through 21 years. Students classified as individuals with exceptional needs for whom a special education placement is unavailable or inappropriate may receive services in a private nonsectarian school. Please contact the local director of special education for specific information. (Ed. Code, § 56040 et seq.) In addition, services are available for students who have a disability which interferes with their equal access to educational opportunities. (Section 504 of the Rehabilitation Act of 1973, 34 C.F.R. § 104.32) The District official listed below is responsible for handling requests for services under Section 504 and may be reached at the following address and telephone:

Lindsey Moore- Superintendent/Principal  
12726 Dent St. Knights Ferry, CA 95361  
209-881-3382

13. **No Academic Penalty for Excused Absence:** No pupil may have their grade reduced or lose academic credit for any absence or absences which are excused for the reasons specified below when missed assignments and tests that can reasonably be provided are satisfactorily completed within a reasonable period of time. - (n) Due to the pupil's participation in military entrance processing.
- (o) Authorized at the discretion of a school administrator based on the facts of the pupil's circumstances, which are deemed to constitute a valid excuse, including, but not limited to, working for a period of not more than five consecutive days in the entertainment or allied industries if the pupil holds a work permit, or participating with a not-for-profit performing arts organization in a performance for a public school pupil audience for a maximum of up to five days per school year provided the pupil's parent or guardian provides a written note to the school authorities explaining the reason for the pupil's absence. (Ed. Code, §§ 48260, 48205, 48225.5)

A pupil absent from school under this section shall be allowed to complete all assignments and tests missed during the absence that can be reasonably provided and, upon satisfactory completion within a reasonable period of time, shall be given full credit therefor. The teacher of the class from which a pupil is absent shall determine which tests and assignments shall be reasonably equivalent to, but not necessarily identical to, the tests and assignments that the pupil missed during the absence.

Absences pursuant to this section are deemed to be absences in computing average daily attendance and shall not generate state apportionment payments.

(Title IX of the Education Amendments of 1972) (34 C.F.R. § 106.8) The District does not discriminate, including in admission and employment, on the basis of sex in any education programs or activities operated by the District, as is required by Title IX. Inquiries on all matters, including complaints, regarding the implementation of Title IX in the District may be referred to the District official listed below at the following address and telephone:

16. **Release of Student Information:** The District does not release information or records concerning a child to noneducational organizations or individuals without parent consent except by court order, receipt of a lawfully issued subpoena, or when otherwise allowed by law. The following categories of directory information may be made available to various persons, agencies or institutions unless the parent or guardian notifies the District in writing not to release such information:

Name, address, telephone, date of birth, email address, major field of study, participation in officially recognized activities and sports, weight and height of members of athletic teams, dates of attendance, diplomas and awards received, and most recent previous educational institution attended. (Ed. Code, §§ 49060 et seq., 49073; 20 U.S.C. § 1232g; 34 C.F.R. § 99.7) In accordance with state and federal law, the District may also make available photographs, videos, and class rosters.

Directory information will not be released regarding a pupil identified as a homeless child or youth unless a parent, or pupil accorded parental rights, has provided written consent that directory information may be released. (Ed. Code, § 49073(c); 20 U.S.C. § 1232g; 42 U.S.C. § 11434a(2))

Directory information may be disclosed regarding a pupil identified as a homeless child or youth to facilitate an eye examination by a nonprofit eye examination provider or a free oral health assessment hosted by schools, unless the parent or pupil has provided written notice to the school that they do not consent to the physical examination. (Ed. Code, § 49073(c), 20 U.S.C. § 1232g; 42 U.S.C. § 11434a(2))

17. **Information Obtained from Social Media:** A school district that considers a program to gather or maintain in its records any information obtained through social media of any enrolled student shall notify students and their parents or guardians about the proposed program and provide an opportunity for public comment at a regularly scheduled public meeting of the Governing Board of the school district. The notification shall include, but is not limited to, an explanation of the process by which a student or a student's parent or guardian may access the student's records to examine the information gathered or maintained, and an explanation of the process by which a student or student's parent or guardian may request the removal of information or make corrections to information gathered or maintained. (Ed. Code, § 49073.6)
18. **Inspection of Student Records:** State law requires that the District notify parents of the following rights which pertain to student records. (Ed. Code, §§ 49063, 49069.7; 34 C.F.R. § 99.7)
  - (a) A parent or guardian has the right to inspect and review student records relating directly to their child during school hours or obtain a copy of such records within five (5) business days of their request.
  - (b) Any parent who wishes to review the types of student records and information contained therein may do so by contacting the principal at their child's school. The principal of each school is ultimately responsible for maintenance of student records.
  - (c) A parent with legal custody has a right to challenge information contained in their child's records. Any determination to expunge a student's record is made after a review of said record(s) by site administrators and certificated staff. Following an inspection and review of student records, the parent may challenge the content of the student's record. The right to challenge becomes the sole right of the student when the student becomes eighteen (18) years of age.
  - (d) A parent or guardian has the right to consent to disclosures of personally identifiable information contained in the student's educational records, except to the extent disclosure is authorized without consent.

A parent may file a written request with the Superintendent of the District to remove any information recorded in the written records concerning the child which is alleged to be:

- (i) Inaccurate.
- (ii) An unsubstantiated personal conclusion or inference.

- (iii) A conclusion or inference outside of the observer's area of competence.
- (iv) Not based on the personal observation of a named person with the time and place of the observation noted.
- (v) Misleading.
- (vi) In violation of the privacy or other rights of the pupil.

Within thirty (30) days, the Superintendent or designee shall meet with the parent/guardian and the certificated employee who recorded the information, if any, and if the person is still employed with the District, and sustain or deny the allegations. If the allegations are sustained, the Superintendent shall order the correction, removal or destruction of the information. If the Superintendent denies the allegations, the parent may appeal the decision to the Governing Board within thirty (30) days. The Board shall determine whether or not to sustain or deny the allegations. If the Board sustains the allegations, it shall order the Superintendent to immediately correct, remove or destroy the information from the written records of the student. (Ed. Code, § 49070)

If the final decision of the Board is unfavorable to the parents, or if the parent accepts an unfavorable decision by the District Superintendent, the parent shall have the right to submit a written statement of objections to the information. This statement shall become a part of the student's school record until such time as the information objected to is removed.

Both the Superintendent and the Board have the option of appointing a hearing panel in accordance with Education Code sections 49070-49071 to assist in the decision making provided that the parent has given written consent to release information from the relevant student records to the members of the panel. The decision as to whether a hearing panel is to be used shall be made at the discretion of the Superintendent or the Board and not of the challenging party.

- (e) A Student Records Log is maintained for each student. The Student Records Log lists persons, agencies or organizations requesting and/or receiving information from the records and the legitimate interests therefore to the extent required by law. Student Records Logs are located at each school and are open to inspection by parents or guardians. (Ed. Code, § 49064)
- (f) School officials and employees having a legitimate educational interest, as well as persons identified in Education Code sections 49076 and 49076.5 and in the Family Educational Rights and Privacy Act, may access student records without first obtaining parental consent. "School officials and employees" are persons employed by the District as an administrator, supervisor, instructor, or support staff member (including health or medical staff and District-employed law enforcement personnel), a Board member, a person or company with whom the District has contracted to perform a special service (such as an attorney, auditor, medical consultant, or therapist), or a parent, student, foster family agency, short-term residential treatment staff, or caregiver whose access to student records

is legally authorized. A “legitimate educational interest” is one held by a school official or employee whose duties and responsibilities create a reasonable need for access. (Ed. Code, §§ 49063(d), 49076, 49076.5; 20 U.S.C. § 1232g)

- (g) Parents and guardians have the right to authorize the release of student records to themselves. Only parents and guardians with legal custody can authorize the release of student records to others.
  - (h) Parents and guardians will be charged twenty-five (.25) cents per page for the reproduction of student records.
  - (i) Parents have a right to file a complaint with the U.S. Department of Education for alleged violations of parent rights related to student records. (20 U.S.C. § 1232g(g))
  - (j) Parents may obtain a copy of the District’s complete student records policy by contacting the Superintendent.
19. **Family Educational Rights and Privacy Act:** Parents have certain rights regarding student information and records which are guaranteed under federal law. A handout notifying parents of these rights is attached.
20. **Student Discipline:** District and school rules pertaining to student discipline are available to parents or guardians of district students in the school office. (Ed. Code, § 35291) Students may be subject to discipline for off-campus misconduct if the misconduct is related to school activity or attendance and causes or is reasonably likely to cause a substantial disruption to school activity. For example, a student using technology such as a home computer, cellular phone, or other electronic device may be disciplined for bullying, engaging in unlawful harassment, or making threats against students, staff, or district property even if such misconduct occurred off-campus and during non-school hours. (Ed. Code, § 48900(r))
21. **Dissection of Animals:** If a student has a moral objection to dissecting (or otherwise harming or destroying) animals, or any part of an animal, the pupil must notify the teacher regarding such objection, and the objection must be substantiated with a note from the pupil’s parent or guardian. If the pupil chooses to refrain from participating in such a project or test, and if the teacher believes that an adequate alternative education project or test is possible, then the teacher may work with the pupil to develop and agree upon an alternate education project or test for the purpose of providing the pupil an alternate avenue for obtaining the knowledge, information or experience required by the course of study. No student shall be discriminated against based upon their decision to exercise their rights under this section. (Ed. Code, §§ 32255-32255.6)
22. **Temporary Disability:** A temporary disability which makes it impossible or inadvisable for a student to attend class may entitle the student to receive individualized instruction. It is the responsibility of the pupil’s parent or guardian to notify the school district in which the pupil is deemed to reside of the pupil’s need for individualized instruction.

Home Instruction: The district in which the student resides is to provide individual instruction if the student is receiving the instruction in their home. Individual instruction in a pupil's home pursuant to Education Code section 48206.3 shall commence no later than five working days after a school district has determined that the pupil shall receive this instruction.

Hospital or Health Facility Instruction: The school district in which the hospital or other residential health facility, excluding a state hospital, is located must provide individual instruction to a student with a temporary disability. Within five working days of receipt of the notification, the district must determine whether the pupil will be able to receive individual instruction, and, if so, when the individual instruction will begin. Individual instruction will commence no later than five working days after a positive determination has been rendered. A student with a temporary disability who is in a hospital or other residential health facility, other than a state hospital, which is located outside the student's school district of residence shall be deemed to comply with the residency requirements of the school district in which the hospital is located. A school district may continue to enroll a pupil with a temporary disability who is receiving individual instruction in a hospital or residential health facility to facilitate the timely reentry of the pupil in their prior school after the hospitalization has ended, or in order to provide a partial week of instruction. On days in which the student is not receiving individual instruction in a hospital or other residential health facility, they may attend school in their district of residence if well enough to do so. A pupil receiving individual instruction who is well enough to return to a school shall be allowed to return to the school, including a charter school, that they attended immediately before receiving individual instruction, if returning during the same school year. (Ed. Code, §§ 48206.3, 48207, 48207.3, 48207.5, 48208, 48980(b))

Pregnancy, childbirth, false pregnancy, termination of pregnancy, and recovery therefrom shall be treated in the same manner and under the same policies as any other temporary disabling condition. (Ed. Code, § 221.51)

23. **Student Residency**: A student may be enrolled in the District if (1) the student's parent, legal guardian or other person having control and charge of the student resides in the District (Ed. Code, § 48200); (2) the District has approved interdistrict attendance (Ed. Code, § 46600); (3) the student is placed in a regularly established children's institution, licensed foster home, or family home; (4) the student is a foster child who remains in their school of origin pursuant to Education Code section 48853.5(f) and (g); (5) the student is emancipated and lives within the District; (6) the student lives in the home of an adult who has submitted a caregiver affidavit; (7) the student resides in a state hospital within the District; or (8) the student's parent or legal guardian resides outside of the boundaries of the school district but is employed and lives with the student at the place of their employment within the school district boundaries for a minimum of three days during the school week. (Ed. Code, § 48204) The law allows, but does not require, a district to accept a student for enrollment where at least one parent or legal guardian of the student is physically employed within the district's boundaries for a minimum of 10 hours during the school week. (Ed. Code, § 48204) A student (including a student eligible for services under the federal Individuals with Disabilities Education Act (20 U.S.C. §

1400 et seq.), Section 504 of the federal Rehabilitation Act of 1973 (29 U.S.C. § 794), or the federal Americans with Disabilities Act of 1990 (42 U.S.C. § 12101 et seq.), as applicable) also complies with the residency requirements for school attendance in a school district if they are a student whose parent is transferred or pending transfer to a military installation within the state while on active duty pursuant to an official military order. However, the parent must provide proof of residence in the school district within ten (10) days after the published arrival date provided on official documentation. Upon notification that a student enrolling pursuant to their parent's active military duty is receiving, or may be eligible to receive, services or accommodations as applicable, the District shall promptly coordinate with the student's parents and previous school to ensure the timely exchange of records and to reduce any delays in the student receiving comparable services or accommodations, including, but not limited to, implementation of their individualized education program, individualized family service plan, or plan pursuant to Section 504 of the federal Rehabilitation Act of 1973. (Ed. Code, § 48204.3) A student also complies with the residency requirement if the student's parent/guardians were residents of the state but departed California against their will if the student provides official documentation evidencing the departure of their parent/guardians against their will; that the student moved outside of California as a result of their parent/guardians departing California against their will; and that the student lived and was enrolled in school in California immediately before moving outside of California. (Ed. Code, § 48204.4)

24. **Attendance Options:** Students who attend schools other than those assigned by the District are referred to as "transfer students" throughout this notification. There is one process for choosing a school within the District which the parent lives (intradistrict transfer), and three separate processes for selecting schools in other districts (interdistrict transfer). (Ed. Code, § 48980(h))

Attached is a copy of the District's Policy on Interdistrict and Intradistrict Transfers. Parents interested in interdistrict or intradistrict transfers should contact Lindsey Moore. The general requirements and limitations of each process are described as follows:

- (a) **Choosing a School Within the District in Which Parent Lives:** Education Code section 35160.5(b) requires the school board of each district to establish a policy that allows parents to choose the schools their children will attend, regardless of where the parent lives in the district. The law limits choice within a school district as follows:
- Students who live in the attendance area of a school must be given priority to attend that school over students who do not live in the school's attendance area.
  - In cases in which there are more requests to attend a school than there are openings, the selection process must be "random and unbiased," which generally means students must be selected through a lottery process rather than on a first-come, first-served basis. A district cannot use a student's academic or athletic performance as a reason to accept or reject a transfer.

However, a district may consider special circumstances that might be harmful or dangerous to a particular pupil in the current attendance area of the pupil, including physical threats of bodily harm or threats to the emotional stability of the pupil documented by a state or local agency, licensed or registered professional, or court order.

- Each district must decide the number of openings at each school which can be filled by transfer students. Each district also has the authority to keep appropriate racial and ethnic balances among its schools, meaning that a district can deny a transfer request if it would upset this balance or would leave the district out of compliance with a court-ordered or voluntary desegregation program.
  - A district is not required to provide transportation assistance to a student who transfers to another school in the district under these provisions.
  - If a transfer is denied, a parent does not have an automatic right to appeal the decision. A district may, however, voluntarily decide to put in place a process for parents to appeal a decision.
  - Victims of Bullying: A school district of residence must approve an intradistrict transfer request for a victim of an act of bullying unless the requested school is at maximum capacity, in which case the district must accept an intradistrict transfer request for a different school within the district. A school district of residence may not prohibit the interdistrict transfer of a victim of an act of bullying if there is no available school for an intradistrict transfer and if the school district of proposed enrollment approves the transfer application. (Ed. Code, § 46600)
  - A school district of proposed enrollment shall ensure that pupils admitted under this law are selected through an unbiased process that prohibits an inquiry into or evaluation or consideration of whether a pupil should be enrolled based on academic or athletic performance, physical condition, English proficiency, family income, or any of the individual characteristics set forth in Education Code section 220, including, but not limited to, race or ethnicity, gender, gender identity, gender expression, and immigration status.
- (b) Choosing a School Outside the District in Which Parent Lives: Parents have two different options for choosing a school outside the district in which they live. The two options are:
- (i) Interdistrict Transfers (Ed. Code, §§ 46600–46610): The law allows two or more districts to enter into an agreement for the transfer of one or more students for a period of up to five years. New agreements may be entered into for additional periods of up to five years each. The agreement must

specify the terms and conditions under which transfers are permitted. The law on interdistrict transfers also provides for the following:

- Once a pupil is enrolled in a school pursuant to an interdistrict transfer agreement, the pupil must be allowed to continue to attend the school in which they are enrolled without reapplying, unless revocation of the interdistrict transfer is a term and condition of the agreement between the districts; however, a district must not rescind existing transfer permits for pupils entering grade 11 or 12 in the subsequent school year.
- Upon request, a pupil determined to be the victim of an act of bullying by a pupil of the district of residence must be given priority for interdistrict attendance under any existing interdistrict attendance agreement or additional consideration for the creation of an interdistrict attendance agreement. (Ed. Code, §§ 46600(b), 48900(r))
- If either district denies a transfer request, a parent may appeal that decision to the county board of education. There are specified timelines in the law for filing an appeal and for the county board of education to make a decision. (Ed. Code, § 46601)
- A school district of residence shall not prohibit the transfer of a student who is a homeless child or youth, a current or former migratory child, a foster youth, the victim of an act of bullying, or a child of an active military duty parent to a school district of proposed enrollment if the school district of proposed enrollment approves the transfer application.
- If a pupil is a victim of an act of bullying and their school district of residence has only one school offering their grade level, such that there is no option for an intradistrict transfer, the pupil may apply for an interdistrict transfer, and the school district of residence shall not prohibit the transfer if the school district of proposed enrollment approves the application for transfer. (Ed. Code, § 46600)
- A school district that elects to accept an interdistrict transfer pursuant to this subdivision shall accept all pupils who apply to transfer under this subdivision until the school district is at maximum capacity and shall ensure that pupils admitted under this subdivision are selected through an unbiased process that prohibits an inquiry into or evaluation or consideration of whether or not a pupil should be enrolled based on their academic, performance, athletic performance, physical condition, proficiency in English, family income, actual or perceived characteristics, such as

disability (mental and physical), gender (includes gender identity, gender expression, and gender-related appearance and behavior whether or not stereotypically associated with the person's assigned sex at birth), actual or potential parental, family, or marital status, pregnancy (including childbirth, false pregnancy, termination of pregnancy, or recovery therefrom), nationality (includes citizenship, country of origin and national origin), immigration status, race or ethnicity (includes ancestry, color, ethnic group identification and ethnic background), religion (includes all aspects of religious belief, observance and practice, including agnosticism and atheism), sexual orientation (heterosexuality, homosexuality or bisexuality), or association with a person or group with one or more of these actual or perceived characteristics. (Ed. Code, § 46600)

- Upon request of the parent on behalf of a pupil eligible for transfer pursuant to this subdivision, a school district of enrollment will provide transportation assistance to a pupil who is eligible for free or reduced-price meals. (Ed. Code, § 46600)
- A school district of enrollment may provide transportation assistance to any pupil admitted under this subdivision. (Ed. Code, § 46600(d))

(ii) “Allen Bill” Transfers (Ed. Code, § 48204(b)): The law allows, but does not require, each school district to adopt a policy whereby the student may be considered a resident of the school district in which their parents (or legal guardian(s)) physically work for a minimum of 10 hours during the school week if that is different from the school district in which the student resides. This code section does not require that a school district accept a student requesting a transfer on this basis, but a student may not be rejected on the basis of race/ethnicity, sex, parental income, academic achievement, or any other “arbitrary” consideration. Other provisions of Education Code section 48204(b) include:

- Either the district in which the parent (or legal guardian) lives or the district in which the parent (or legal guardian) physically works may prohibit the student's transfer if it is determined that there would be a negative impact on the district's desegregation plan.
- The district in which the parent (or legal guardian) physically works may reject a transfer if it determines that the cost of educating the student would be more than the amount of state funds the district would receive for educating the student.

- There are set limits (based on total enrollment) on the net numbers of students that may transfer out of a district under this law, unless the district approves a greater number of transfers.
  - There is no required appeal process for a transfer that is denied. However, the district that declines to admit a student is encouraged to provide in writing to the parent the specific reasons for denying the transfer.
- (c) Districts of Choice (Ed. Code, §§ 48300-48317): The law allows, but does not require, each school district to become a “district of choice”—that is, a district that accepts transfer students from outside the district under the terms of the referenced Education Code sections. The school board of a district that decides to become a “district of choice” must determine the number of students it is willing to accept in this category each year and make sure that the students are selected through an “unbiased process,” which prohibits district inquiries, evaluations, or consideration of enrollment based upon actual or perceived academic or athletic performance, physical condition, proficiency in English, any other personal characteristic as specified in Education Code section 200, and family income (except for purposes of determining attendance priority for students eligible for free or reduced-price meals). If the number of transfer applications exceeds the number of students the school board elects to accept, transfer approval must be determined by a random public drawing held at a regular board meeting. Other provisions of the “district of choice” option include:
- A school district of residence may deny a transfer if it will negatively affect the racial and ethnic balance of the district, or a court-ordered or voluntary desegregation plan. The district a student would be leaving may also limit the total number of students transferring out of the district each year to a specified percentage of its total enrollment, depending on the size of the district.
  - A school district of residence shall not prohibit the transfer of a student who is a child of an active military duty parent or adopt policies to block or discourage students from applying for transfer to a school district of choice.
  - A school district of choice may not reject the transfer of a student who is an English learner, foster youth or homeless youth, as defined in Education Code section 42238.01 and 42 U.S.C. 11434(a)(2).
  - No student who currently attends a school or lives within the attendance area of a school can be forced out of that school to make room for a student transferring under these provisions.
  - A school district of choice must give priority for attendance in the following order: 1) to siblings of students already attending school in the

district; 2) to students eligible for free or reduced-price meals, and students who are foster youth or homeless youth; and 3) to children of military personnel.

- A school district of choice must post application information on its Internet Website, including any applicable form, transfer timeline, and explanation of the selection process.
- A parent may request transportation assistance within the boundaries of the “district of choice.” The district is required to provide transportation only to the extent it already does so.
- If an application is rejected, the school district of choice shall include in the written notification to the parent that the number of students applying to transfer exceeded the capacity of the school district of choice or the specific school or program to which the student applied and that the student was not selected during the random drawing.

(d) Transferring a Student Convicted of a Felony/Misdemeanor: Education Code section 48929 authorizes the governing board of a school district to transfer a student enrolled in the district who has been convicted of a violent felony as defined in Penal Code section 667.5 or misdemeanor listed in Penal Code section 29805 to another school within the district when the student and victim of the crime are enrolled in the same school. The governing board has adopted a policy regarding such transfers at a regular meeting pursuant to Education Code section 48929. The policy requires: 1) notice to be provided to the student and student’s parent or guardian of the right to request to meet with the principal or designee of the school or District; and 2) that the school first attempt to resolve the conflict before transfer by using restorative justice, counseling, or other services. The policy also includes information regarding whether the transfer decision is subject to periodic review and the procedure used to conduct the review, and the process the board will use to consider and approve or disapprove the recommendation of the school principal or other school or school district designee to transfer the student.

25. **Sexual Harassment Policy:** Each student will receive a written copy of the district policy on sexual harassment. The purpose of this policy is to provide notification of the **prohibition** against sexual harassment as a form of sexual discrimination and to provide notification of available remedies. A copy of the District’s policy on sexual harassment is attached. (Ed. Code, §§ 231.5, 48980(f))
26. **Notice of Alternative Schools:** California state law authorizes all school districts to provide for alternative schools. Section 58500 of the Education Code defines alternative school as a school or separate class group within a school which is operated in a manner designed to:

- (a) Maximize the opportunity for students to develop the positive values of self-reliance, initiative, kindness, spontaneity, resourcefulness, courage, creativity, responsibility, and joy.
- (b) Recognize that the best learning takes place when the student learns because of the student's desire to learn.
- (c) Maintain a learning situation maximizing student self-motivation and encouraging the student in their own time to follow their own interests. These interests may be conceived by the student totally and independently or may result in whole or in part from a presentation by the student's teachers of choices of learning projects.
- (d) Maximize the opportunity for teachers, parents, and students to cooperatively develop the learning process and its subject matter. This opportunity shall be a continuous permanent process.
- (e) Maximize the opportunity for the students, teachers, and parents to continuously react to the changing world, including but not limited to, the community in which the school is located.

In the event any parent, pupil, or teacher is interested in further information concerning alternative schools, the county superintendent of schools, the administrative office of this district, and the principal's office in each attendance unit have copies of the law available for parent information. This law particularly authorizes interested persons to request the governing board of the district to establish alternative school programs in each district. (Ed. Code, § 58501)

- 27. **Nutrition Program:** The State Department of Education has established a statewide program to provide nutritious meals and milk at school for pupils, and to provide free meals to the neediest children. In some instances, nominal cash payments may be required. (Ed. Code, § 49510 et seq.)
- 28. **Leaving School Grounds:** The governing board of the Knights Ferry Elementary School District, pursuant to section 44808.5 of the Education Code, has decided to permit the pupils enrolled at Knights Ferry Elementary School (Grades 7-8) to leave the school grounds during the lunch period. Section 44808.5 of the Education Code further states: "Neither the school district nor any officer or employee thereof shall be liable for the conduct or safety of any pupil during such time as the pupil has left the school grounds pursuant to this section." (Ed. Code, § 44808.5)
- 29. **U.S. Department of Education Programs:** The following applies only to programs directly funded by the U.S. Department of Education:

All instructional materials, including teacher's manuals, films, tapes, or other supplementary material which will be used in connection with any survey, analysis, or evaluation shall be available for inspection by the parents or guardians of the children.

No student shall be required, as part of any applicable U.S. Department of Education funded program, to submit to a survey, analysis, or evaluation that reveals information concerning:

- (a) political affiliations or beliefs of the student or student's parents;
- (b) mental and psychological problems of the student or their family;
- (c) sex behavior or attitudes;
- (d) illegal, anti-social, self-incriminating or demeaning behavior;
- (e) critical appraisals of other individuals with whom respondents have close family relationships;
- (f) legally recognized privileged or analogous relationships, such as those of lawyers, physicians, and ministers;
- (g) religious practices, affiliations, or beliefs of the student or student's parent; or
- (h) income (other than that required by law to determine eligibility for participation in a program or for receiving financial assistance under such program)

without the prior consent of the student (if the student is an adult or emancipated minor), or in the case of an unemancipated minor, without the prior written consent of the parent. (20 U.S.C. § 1232h)

30. **Uniform Complaint Procedures:**

**Complaints Alleging Discrimination, Harassment, Intimidation, and Bullying:**

State and federal law prohibit discrimination in education programs and activities. The District is primarily responsible for compliance with federal and state laws and regulations. (Cal. Code Regs., tit. 5, § 4620.)

Under state law, all pupils have the right to attend classes on school campuses that are safe, secure, and peaceful. (Ed. Code, § 32261) State law requires school districts to afford all pupils equal rights and opportunities in education, regardless of their actual or perceived characteristics, such as disability (mental and physical), gender (includes gender identity, gender expression, and gender-related appearance and behavior whether or not stereotypically associated with the person's assigned sex at birth), actual or potential parental, family, or marital status, pregnancy (including childbirth, false pregnancy, termination of pregnancy, or recovery therefrom), nationality (includes citizenship, country of origin and national origin), immigration status, race or ethnicity (includes ancestry, color, ethnic group identification and ethnic background), religion (includes all aspects of religious belief, observance and practice, including agnosticism and atheism), sexual orientation (heterosexuality, homosexuality or bisexuality), or association with a person or group with one or more of these actual or perceived

characteristics. (Ed. Code, §§ 210-214, 220 et seq., 234 et seq.; Cal. The time period may be extended by mutual written agreement of the parties.
- (f) A party to a written complaint of discrimination may appeal to the California Department of Education if the District fails to issue a report within the timeline specified above. The appeal shall present the Department with the basis for the direct filing and why immediate action is necessary.
- (g) A person who alleges a violation of Section 220, 243, 244, 51500, 51501, or 60044 may seek civil remedies after 60 days have elapsed from the filing of an appeal to the Department. (Ed. Code, §§ 262.3, 48980(o))

The notice will be in an understandable and uniform format, and to the extent practicable, in a language the parents can understand. The notice will include an explanation of what the

(Ed. Code, § 310; Cal. Code Regs., tit. 5, §§ 11309, 11310)
  
40. **Children in Homeless/Foster Care Situations, Former Juvenile Court School Students, Migrant Students, and Newcomers:** Each local district shall designate a staff person as a liaison for homeless children who shall ensure the dissemination of public notice of the educational rights of students in homeless situations. (Ed. Code, § 48852.5; 42 U.S.C. § 11432(g)(1)(J)(ii)) The District's liaison is Lindsey Moore and can be contacted at 209-881-3382.

A homeless child will be allowed to continue their education in their school of origin through the duration of homelessness at the point of any change or any subsequent change in residence once a child becomes a homeless child. If the child's status changes before the end of the academic year so that they are not homeless, the District will allow a child in high school to continue their education in the school of origin through graduation. For a child in grades K through 8, the District will allow the formerly homeless child to continue their education in the school of origin until the end of the academic school year. A homeless child transitioning between school grade levels will be allowed to continue in the school district of origin in the same attendance area. If a

homeless child is transitioning to a middle or high school where the school designated for matriculation is in another school district, the homeless child must be allowed to continue to the school designated for matriculation in that school district. The new school will be required to enroll the child immediately regardless of any outstanding fees, fines, textbooks or other items or moneys due to the school last attended or if the child is unable to produce clothing or records normally required for enrollment, including academic records, medical records, proof of immunization history, proof of residency, other documentation, or school uniforms. (Ed. Code, § 48852.7)

The District has designated Lindsey Moore as the educational liaison for foster children and can be contacted at 209-881-3382. The educational liaison will disseminate a standardized notice to foster children that has been developed by the State Department of Education and includes complaint process information. (Ed. Code, § 48853.5)

A foster child shall be allowed to continue their education in the school of origin under specified circumstances. If it is determined that it is in the best interests of the foster child to transfer to a school other than the school of origin, the foster child shall immediately be enrolled in the new school, regardless of any outstanding fees, fines, textbooks, or other items or moneys owed to the school last attended or if the child is unable to produce clothing or records normally required for enrollment, including academic records, medical records, immunization history, proof of residency, other documentation, or school uniforms. The last school attended must provide all records to the new school within two business days of receiving the request. (Ed. Code, §§ 48853, 48853.5)

Upon receiving a transfer request or notification of a student in foster care, the District shall, within two business days, transfer the student out of school and deliver the educational information and records to the next educational placement. Grades and credits will be calculated as of the day the student left school and no lowering of grades will occur as a result of the student's absence due to the decision to change placement or for a verified court appearance or related court activity. (Ed. Code, § 49069.5)

The District shall exempt from local graduation requirements, or consult with the student and their educational rights holder about the option to remain in school for a fifth year to complete the local graduation requirements, a student who is in foster care, a homeless child or youth, a child of a military family, a former juvenile court school student, a migratory child, or newcomer student for recently arrived immigrant pupils and who transfers between schools under certain circumstances. (Ed. Code, §§ 51225.1, 51225.2)

The District shall accept coursework done by a student who is in foster care, a homeless child or youth, a child of a military family, a former juvenile court school student, a migratory child, or newcomer student while attending another school. The District will not require those students to retake courses or partial courses they have satisfactorily completed elsewhere. (Ed. Code, § 51225.2)

“Newcomer student” means a student who is between the ages 3-21, was not born in any of the 50 States, the District of Columbia, or the Commonwealth of Puerto Rico, and has

not been attending one or more schools in any of the referenced locations for more than three (3) full academic years. (Ed. Code, § 51225.2; 20 U.S.C. § 7011)

A complaint of noncompliance alleging violations of these sections, except for Education Code section 48852.7, may be filed under the District's Uniform Complaint Procedures pursuant to Title 5 of the California Code of Regulations.

41. **Continued Education Options For Juvenile Court School Students:** When a student transfers into a juvenile court school any time after the completion of the student's second year of high school and completes the statewide coursework requirements for graduation specified in section 51225.3 while attending a juvenile court school, and the student is in their third or fourth year of high school, the county office of education shall exempt the student from all coursework or other requirements that are in addition to the statewide coursework requirements in section 51225.3, unless the county office finds that the student is reasonably able to complete the local graduation requirements in time to graduate by their fourth year of high school. Within thirty (30) days of a student transferring into a juvenile court school, the county office of education shall notify the student, the person holding to right to make educational decisions for the student, and the student's social worker and probation officer of the availability of the exemption and whether the student qualifies. (Ed. Code, § 48645.5(d).) A county office of education shall also exempt a student from local graduation requirements if it determines that a juvenile court school student is unable to complete local graduation requirements after the fourth year of high school but is able to complete the statewide coursework requirements. (Ed. Code, § 48645.7.)

When a juvenile school student qualifies for an exemption from local graduation rights, the county office of education shall notify the student, the person holding to right to make educational decisions for the student, and the student's social worker and probation officer of the following:

- (a) How any of the local graduation requirements that are waived may affect the student's post-secondary education or vocation plans, including the ability to gain admission to a post-secondary educational institution;
- (b) Opportunities available to the student, including, but not limited to, staying enrolled in high school beyond a fourth year, possible credit recovery, and any transfer opportunities available through the California Community Colleges;
- (c) The option to defer or decline the diploma and take additional coursework; and
- (d) The student's academic data and other information relevant to making an informed decision on whether to accept the exemption from local graduation requirements (Ed. Code, §§ 48645.3(a), 48645.7)

If the county office of education determines that the juvenile court student is reasonably able to complete local graduation requirements after the student's fourth year of high school, the county office of education shall:

- (e) Consult with the student and the person holding the right to make educational decisions for the student regarding the student's option to remain in school after the student's fourth year to complete local graduation requirements;
- (f) Consult with the student and the person holding the right to make educational decisions for the student, about how remaining in school after the student's fourth year to complete the local graduation requirements will affect the student's ability to gain admission to a post-secondary educational institution;
- (g) Consult with and provide information to the student about transfer opportunities through the California Community Colleges; and
- (h) Permit the student to stay in school after the student's fourth year to complete the local graduation requirements upon agreement with the student, if the student is 18 years or older, or, if the student is under 18 years, upon agreement with the person holding the right to make educational decisions for the student.

A juvenile court school student who is eligible for the exemption from local graduation requirements and who would otherwise be entitled to remain in attendance shall not be required to accept the exemption. If a student who is eligible for an exemption has previously deferred or declined an exemption, the county office of education shall grant an exemption within thirty (30) days if it is requested by the student. A student shall not be required to transfer schools in order to qualify for an exemption. A student shall not request a transfer solely to qualify the student for an exemption. A complaint of noncompliance with this section may be filed with the county office of education pursuant to the Uniform Complaint Procedures. (Ed. Code, § 48645.7.)

- 42. **Sex Equity In Career Planning:** Parents shall be notified in advance of career counseling and course selection commencing with course selection in Grade 7, to promote sex equity and allow parents to participate in counseling sessions and decisions. (Ed. Code, § 221.5(d))
- 43. **Pesticide Products:** All schools are required to provide parents or guardians with annual written notice of expected pesticide use at schools. The attached list provides the name of each pesticide product, the active ingredient(s) and the Internet address for further information. Parents or guardians may request prior notice of individual pesticide applications at the school. If a parent wishes to be notified every time a pesticide is going to be applied, they must complete the attached form and return it to their child's school. A copy of the integrated pest management plan for the school site or District may be provided on the school website or viewed at the school office. (Ed. Code, §§ 48980.3, 17611.5, 17612)
- 44. **Pregnant and Parenting Pupils:** Pregnant and parenting pupils are entitled to accommodations that provide them with the opportunity to succeed academically while protecting their health and the health of their children. "Pregnant or parenting pupil" means a pupil who gives or expects to give birth or a parenting pupil who has not given birth and who identifies as the parent of the infant.

A pregnant or parenting pupil is entitled to eight weeks of parental leave. This leave may be taken before the birth of the pupil's infant if there is a medical necessity and/or after childbirth during the school year in which the birth takes place, inclusive of any mandatory summer instruction. A pregnant or parenting pupil is entitled to additional leave if deemed medically necessary by the student's physician. (Ed. Code, § 46015)

The person holding the student's educational rights (i.e. the pupil if over 18 or the parent if under 18) may notify the school of the student's intent to exercise this right. Leave may still be taken even if notice was not provided.

During the leave, the student's absences shall be deemed excused and the student shall not be required to complete academic work or other school requirements.

A pregnant or parenting pupil may return to the school and the course of study in which they were enrolled before taking parental leave. Upon return to school after taking parental leave, a pregnant or parenting pupil is entitled to opportunities to make up work missed during their leave, including, but not limited to, makeup work plans and reenrollment in courses.

A pregnant or parenting pupil may remain enrolled for a fifth year of instruction in the school in which the pupil was previously enrolled when it is necessary in order for the pupil to be able to complete state and any local graduation requirements, unless the local educational agency makes a finding that the pupil is reasonably able to complete its graduation requirements in time to graduate from high school by the end of the pupil's fourth year of high school.

A student who chooses not to return to the school in which they were enrolled before taking the leave is entitled to alternative education options offered by the local educational agency to include educational programs, activities, and courses equal to those they would have been in if participating in the regular education program.

A student will not incur any academic penalties as a result of using the accommodations in this section. (Ed. Code, § 46015)

A complaint of noncompliance may be filed under the District's Uniform Complaint Procedures in accordance with Title 5 of the California Code of Regulations.

Under no circumstances will the District assign a student enrolled in any of grades 9 through 12 to a course period without educational content because there are not sufficient curricular course offerings for the student to take during the relevant period of the designated school day. (Ed. Code, § 51228.1)

The District is prohibited from assigning a student enrolled in grades 9 through 12 to a course that the student has previously completed and received a grade determined by the District to be sufficient to satisfy the requirements and prerequisites for admission to the California public post-secondary schools and the minimum high school graduation requirements, except under specified conditions. Under no circumstances will the District assign a student enrolled in any of grades 9 through 12 to a course the student has previously completed and received a sufficient grade, as specified, because there are not sufficient curricular course offerings for the student to take during the relevant period of the designated school day. (Ed. Code, § 51228.2)

These sections do not apply to students in alternative schools, community day schools, continuation high schools or an opportunity school. The District may continue to authorize dual enrollment in community college, to run evening high school programs, and to offer independent study, work experience education, and other specified courses.

A complaint of noncompliance may be filed under the District's Uniform Complaint Procedures and Title 5 of the California Code of Regulations. (Ed. Code, § 51228.3)

  - (ii) A fee waiver policy shall not make a pupil fee permissible.

  - (iv) The District and its schools shall not offer course credit or privileges related to educational activities in exchange for money or donations of goods or services from a pupil or a pupil's parents or guardians, and the District and its schools shall not remove course credit or privileges related to educational activities, or otherwise discriminate against a pupil, because the pupil or the pupil's parents or guardians did not or will not provide money or donations of goods or services to the District or school.
- (b) Solicitation of voluntary donations of funds or property and voluntary participation in fundraising activities are not prohibited. The District and its schools are not prohibited from providing pupils prizes or other recognition for voluntarily participating in fundraising activities. (Ed. Code, § 49010 et seq.)

The District has attached a memorandum describing such laws. (Ed. Code, § 48985.5)

52. **California Assessment of Student Performance and Progress:** The California Assessment of Student Performance and Progress (CAASPP) includes Smarter Balanced Summative assessments in English Language Arts and Math in grades 3-8 and 11 and California Alternative Assessments (CAA) in English Language Arts and Math in grades 3-8 and 11 for students with significant cognitive disabilities. The California Science Test (CAST) for science is required for all students in grades 5, 8, and once in high school unless the student's IEP indicates administration of the CAA. Students in grades 3-8 and in high school may choose to take the optional standards-based test in Spanish (CSA) for reading/language arts. The CAASPP includes an assessment for students whose primary language is a language other than English upon enrollment in a California public school. A parent or guardian may make a written request to excuse their child from any or all parts of the assessments. (Ed. Code, §§ 52052, 60604, 60615, 60640; 5 C.C.R. § 852)

For two-year kindergarten program, proof is required once. The District has attached an information sheet from the Department of Education describing this requirement. (Ed. Code, § 49452.8.)
54. **Instructional Materials and Unlawful Discrimination:** The District shall not adopt or approve the use of any textbook, instructional material, supplemental instructional material, professional development materials, or curriculum for classroom instruction if the use of the textbook, instructional material, supplemental instructional material, or curriculum would subject a student to unlawful discrimination. A complaint regarding an alleged violation of this provision may be filed under the Uniform Complaint Procedures by any member of the public, including anyone electing to file anonymously if they provide enough information to support an allegation of noncompliance. (Ed. Code, § 244.)
55. **Reading Difficulty Screening:** The District is required to screen students in kindergarten and grades 1 and 2 for risk of reading difficulties unless you opt out of such screening in writing. Please contact the principal of your school if you wish to opt out of this screening. Students who do not speak English as their primary language will be screened in their primary language. A student may be exempted from the requirements of this section with prior written consent of the parent/guardian if:
- (a) The student has a current identification or diagnosis of a reading difficulty.
  - (b) The student is eligible for special education and related services.
  - (c) The student is in the process of being assessed for special education and related services through diagnostic assessments that make reading difficulty screening redundant.

Results from assessments shall be made available to the parents/guardians no later than 45 calendar days from the date the assessment was administered. Results of these assessments shall not be used for any “high stakes” purpose, including but not limited to student promotion or retention, identification for gifted and talented education, reclassification of English Learners, or identification as a student with exceptional needs. (Ed. Code, § 53008.)

56. **Qualified Drivers:** The District utilizes qualified drivers for transportation of students. However, if the District makes a reasonable effort to secure a driver who is qualified to transport students, but is unable to do so, the District will retain a school employee to transport students for school activities. School employees who are not qualified to transport students will not exceed 40 hours of drive time per school year. (Ed. Code, § 39875(d).)
57. **Pupil Safety and Learning Environment:** The District has attached a written policy promoting safe environments for pupil learning and engagement. The policy addresses “professional boundaries” between employees and students and establishes appropriate limits on contact during or outside the school day between students and employees via social media internet platforms, text messaging, and other forms of communication that do not otherwise include the students’ parent or guardian. (Ed. Code, § 32100.)
58. **Unlawful Discrimination in Schools:** The District is prohibited from adopting or approving the use of any textbook, instructional material, supplemental instructional material, professional development material, or curriculum for classroom instruction if the use of such material would subject a student to unlawful discrimination. If the District has reason to believe that such materials have been used in a classroom, the District shall investigate and remediate any violation. A complaint pursuant to this section may be filed under the Uniform Complaint Procedures. A complaint may be filed by any member of the public, including anonymously, if the complaint provides evidence or information supporting an allegation of noncompliance with this requirement. (Ed. Code, §§ 244, 48980(o), 51501)

A teacher shall not give instruction and the District shall not sponsor any activity which promotes a discriminatory bias on the basis of race or ethnicity, gender, religion, disability, nationality, or sexual orientation, or pursuant to a characteristic listed in Section 220. Teacher instruction shall be factually accurate and align with the adopted curriculum and standards and be consistent with accepted standards of professional responsibility, rather than advocacy, personal opinion, bias, or partnership. (Ed. Code, §§ 48980(o), 51500)

59. **Off Campus Cyberbullying:** School districts are authorized but not required to address reported acts of cyberbullying that occur outside of school hours and outside of the campus. (Ed. Code, § 234.41.)

60. **Education Rights - Immigration Enforcement:** The District has attached an informational guide describing the educational rights of families.

In addition to the information in the guide, schools, County Offices of Education and colleges are required to notify staff, students, and parents when immigration enforcement is confirmed on or near campus. Notifications must protect privacy and may include links to educational rights resources and counseling services. Each California Community College, CSU, and qualifying private institution must notify students, faculty, and campus staff when immigration is confirmed on campus. Notifications must include date, time, and location of the enforcement activity and resource links but cannot include any personally identifiable information.

### **Gathering and Handling Student and Family Information**

California law prohibits schools from, at any time, collecting any information or documents regarding citizenship or immigration status of pupils or family members, unless required by state or federal law to administer a state or federally supported education program. For example, local educational agencies may ask for certain national origin related information – student’s place of birth, U.S. entry date, and the date of the student first attended school in the U.S. – to comply with federal or state reporting requirements for special programs. Federal and California law also prohibit local educational agencies from engaging in any practices with the purpose or effect of discriminating against students on the basis of race, color, or national origin. California law specifically prohibits discrimination on the basis of an individuals’ immigration status, for any program or activity conducted by an education institution that receives or benefits from state financial assistance.

### **Sharing Student and Family Information**

Local educational agencies must provide students and families with annual notice of school policies for student privacy and the abilities of parents to inspect student information. Schools must also inform parents or guardians if and when the school may release student information and the policies regarding the handling and destruction of such information. Under the federal Family Education Rights and Privacy Act (FERPA), local educational agencies are restricted from releasing certain private student information without the consent of the student’s parents, or the student if the student has reached 18 years of age or is attending an institution of postsecondary education. An agency may provide access to educational records without consent in limited circumstances such as in response to a judicial order or a lawfully issued and effective subpoena. However, none of these exceptions authorize or require disclosing information for immigration enforcement. Except in instances in which the matter involves child abuse, neglect, or dependency, or if the local agency is served with a subpoena prohibiting disclosure, the parents and the students must be notified of any judicial order or subpoena before the school complies with the order. California Government Code also prohibits school police from providing “personal information” about an individual for immigration-enforcement purposes, unless that information is publicly available.

Directory information (basic student information) can be shared with outside parties, unless a parent or guardian opts out of the release of the information.

### **Responding to Requests for Access to School Grounds for Immigration-Enforcement Purposes**

Schools are “protected areas” at which immigration enforcement should not generally occur. Except in cases of suspected child abuse, neglect, or dependency matters, local education agencies must immediately notify parents or guardians if they release a student to a law-enforcement officer, including an ICE officer, for the purpose of removing the student from the school premises. Additionally, except in matters regarding child abuse, neglect, or dependency, California law does not prohibit schools from notifying parents or guardians before law-enforcement officers question a child at school.

### **Responding to the Detention or Deportation of a Student’s Family Member**

If local educational agency personnel become aware that a student’s parent or guardian is not available to provide care for the student, California law requires the school first follow the parental instructions relating to the student’s care detailed in the emergency contact information provided by the parent or guardian. Therefore, it is very important for parents and guardians to work with schools to keep the emergency contact information updated.

Additionally, completing a Caregiver’s Authorization Affidavit or a Petition for Appointment of Temporary Guardian of the Person, gives a trusted adult the authority to make educational and medical decisions for the student. The completion of a Caregiver’s Authorization Affidavit can also be the basis for enrolling your child in school.

A Caregiver’s Authorization Affidavit (<http://www.courts.ca.gov/documents/caregiver.pdf>) permits certain people who have familial relationships with the student to authorize school enrollment and medical care for the student but does not provide for legal custody. Schools, doctors, and dentists are required to accept this form.

### **Responding to Hate Crimes and Bullying Related to National Origin or Ethnicity**

California requires each local educational agency to have a policy that prohibits discrimination, harassment, intimidation, and bullying based on a student’s actual or perceived characteristics, including nationality, ethnicity, or immigration status. The use or threat of force to intimidate or injure a student, in whole or in part, because of the student’s actual or perceived nationality or ethnicity, is a hate crime under state law. Students who are victims of or witnesses to hate crimes are protected from being detained because of their actual perceived immigration status, and if not charged with or convicted of committing any crime under state law, are protected from being reported to federal immigration authorities.

## Sample Danger of Synthetic Drugs Memorandum

**To:** Parents and Guardians of Students in the **Knights Ferry Elementary School District**

**From:** **Lindsey Moore**

**Subject:** **Dangers of Synthetic Drugs**

---

The purpose of this memorandum is to inform and to remind parents and legal guardians of all students in the **Knights Ferry Elementary School District** of the dangers of the illicit use and abuse of synthetic drugs.

The illicit use and abuse of synthetic drugs represent an emerging and ongoing public health threat in California. The fentanyl crisis specifically has impacted communities across the state, leading to a sharp increase in fentanyl poisonings and deaths in recent years.

This notice aims to address the crisis with a preventative approach, ensuring students and families are educated on the deadly consequences of recreational drug use.

A synthetic drug is a drug with properties and effects similar to a known hallucinogen or narcotic but having a slightly altered chemical structure, especially such a drug created to evade existing restrictions against illegal substances.

Synthetic drugs include but are not limited to synthetic cannabinoids (“synthetic marijuana,” “spice,” “K2”), methamphetamines, bath salts, and fentanyl.

The California Department of Public Health (“CDPH”) has expounded on the extreme danger of drugs laced with fentanyl. Illicit fentanyl can be added to other drugs to make them cheaper, more powerful, and more addictive. Illicit fentanyl has been found in many drugs, including heroin, methamphetamine, counterfeit pills, and cocaine. Fentanyl mixed with any drug increases the likelihood of a fatal overdose. Furthermore, it is nearly impossible to tell if drugs have been laced with fentanyl without additional testing because fentanyl cannot be seen, smelled, or tasted when used as a lacing agent.

There is a high risk that social media platforms are being used as a way to market and sell synthetic drugs, including fentanyl.

Additional information regarding fentanyl from the CDPH’s Substance and Addiction Prevention Branch can be found here:

## Sample Firearms Safety Memorandum

**To:** Parents and Guardians of Students in the **Knights Ferry Elementary School District**

**From:** **Lindsey Moore**

**Subject:** **California Law Regarding Safe Storage of Firearms**

---

The purpose of this memorandum is to inform and to remind parents and legal guardians of all students in the **Knights Ferry Elementary School District** of their responsibilities for keeping firearms out of the hands of children as required by California law. There have been many news reports of children bringing firearms to school. In many instances, the child obtained the firearm(s) from their home. **These incidents can be easily prevented by storing firearms in a safe and secure manner, including keeping them locked up when not in use and storing them separately from ammunition.**

To help everyone understand their legal responsibilities, this memorandum spells out California law regarding the storage of firearms. Please take some time to review this memorandum and evaluate your own personal practices to assure that you and your family are in compliance with California law.

- With very limited exceptions, California makes a person criminally liable for keeping any firearm, loaded or unloaded, within any premises that are under their custody and control where that person knows or reasonably should know that a child is likely to gain access to the firearm without the permission of the child's parent or legal guardian, and the child obtains access to the firearm and thereby (1) causes death or injury to the child or any other person; (2) carries the firearm off the premises or to a public place, including to any preschool or school grades kindergarten through twelfth grade, or to any school-sponsored event, activity, or performance; or (3) unlawfully brandishes the firearm to others.<sup>1</sup>
  - **Note:** The criminal penalty may be significantly greater if someone dies or suffers great bodily injury as a result of the child gaining access to the firearm.
- With very limited exceptions, California also makes it a crime for a person to negligently store or leave any firearm, loaded or unloaded, on their premises in a location where the person knows or reasonably should know that a child is likely to gain access to it without the permission of the child's parent or legal guardian, unless reasonable action is taken to secure the firearm against access by the child, even where a minor never actually accesses the firearm.<sup>2</sup>

---

<sup>1</sup> See California Penal Code sections 25100-25125 and 25200-25220.

<sup>2</sup> See California Penal Code section 25100(c).

- In addition to potential fines and terms of imprisonment, as of January 1, 2020, a gun owner found criminally liable under these California laws faces prohibitions from possessing, controlling, owning, receiving, or purchasing a firearm for 10 years.<sup>3</sup>
- Finally, a parent or guardian may also be civilly liable for damages resulting from the discharge of a firearm by that person's child or ward.<sup>4</sup>

**Note:** Your county or city may have additional restrictions regarding the safe storage of firearms.

Thank you for helping to keep our children and schools safe. Remember that the easiest and safest way to comply with the law is to keep firearms in a locked container or secured with a locking device that renders the firearm inoperable.

Sincerely,

**Lindsey Moore**

## **Notification of Rights Under FERPA for Elementary and Secondary Schools**

The Family Educational Rights and Privacy Act (FERPA) affords parents and students over 18 years of age (“eligible students”) certain rights with respect to the student’s education records. These rights are:

(1) The right to inspect and review the student’s education records within 45 days of the day the School receives a request for access.

Parents or eligible students should submit to the School principal a written request that identifies the record(s) they wish to inspect. The school official will make arrangements for access and notify the parent or eligible student of the time and place where the records may be inspected.

(2) The right to request amendment of the student’s education records that the parent or eligible student believes are inaccurate, misleading, or otherwise in violation of the student’s privacy rights under FERPA.

Parents or eligible students may ask the School to amend a record that they believe is inaccurate or misleading. They should write the School principal, clearly identify the part of the record they want changed, and specify why it is inaccurate or misleading.

If the School decides not to amend the record as requested by the parent or eligible student, the School will notify the parent or eligible student of the decision and advise the parent or eligible student of the right to a hearing regarding the request for amendment. Additional information regarding the hearing procedures will be provided to the parent or eligible student when notified of the right to a hearing.

(3) The right to consent to disclosures of personally identifiable information contained in the student’s education records, except to the extent that FERPA authorizes disclosure without consent.

One exception, which permits disclosure without consent, is disclosure to school officials with legitimate educational interests. A school official is a person employed by the School as an administrator, supervisor, instructor, or support staff member (including health or medical staff and law enforcement unit personnel); a person serving on the School Board; a person or company with whom the School has contracted to perform a special task (such as an attorney, auditor, medical consultant, or therapist); or a parent or student serving on an official committee, such as a disciplinary or grievance committee, or assisting another school official in performing their tasks.

A school official has a legitimate educational interest if the official needs to review an education record in order to fulfill their professional responsibility.

In addition, the Student Aid Commission may have access to the grade point average (GPA) of all district students in grade 12 and, when required, verification of high school graduation or its equivalent of all students who graduated in the prior academic year, for use in the Cal Grant postsecondary financial aid program. However, such information shall not be submitted when a student, or their parent or guardian if the student is under 18 years of age, "opts out" or is permitted by the rules of the Student Aid Commission to provide test scores in lieu of their GPA. (Ed. Code, §§ 69432.9, 69432.92) No later than January 1 each year, the Superintendent or designee shall notify each student in grade 11, and the student's parents/guardians if the student is under 18 years of age, that the student's GPA will be forwarded to the Student Aid Commission by October 1 unless the student opts out within a period of time specified in the notice, which shall not be less than 30 days. (Ed. Code, § 69432.9)

Upon request, the School discloses education records, without prior consent, to officials of another school district in which a student seeks or intends to enroll.

(4) The right to file a complaint with the U.S. Department of Education concerning alleged failures by the school to comply with the requirements of FERPA. The name and address of the Office that administers FERPA are:

Family Policy Compliance Office  
U.S. Department of Education  
400 Maryland Avenue, SW

YOUR DISTRICT'S POLICY OF INTERDISTRICT  
AND INTRADISTRICT TRANSFERS

## **Policy 5117: Interdistrict Attendance**

The Governing Board recognizes that parents/guardians of students who reside within the geographic boundaries of one district may, for a variety of reasons, desire to enroll their children in a school in another district. Student transfers into and out of the district shall be in accordance with law and as specified in this policy and accompanying administrative regulation.

The district may enter into an agreement with any other school district, for a term not to exceed five school years, for the interdistrict attendance of students who are residents of either district. (Education Code 46600)

The agreement shall specify the terms and conditions under which interdistrict attendance shall be permitted or denied. Additionally, it may contain standards agreed upon by both districts for reapplication and/or revocation of the student's permit. (Education Code 46600)

When the request of a student seeking to transfer out of the district, or an individual permit verifying another district's approval for its student to transfer into the district, is received, the Superintendent or designee shall review, and approve or deny the request or permit based on the terms and conditions of the interdistrict attendance agreement.

### **Instruction Collaboration Agreements**

The district may, with Board approval, enter into an instruction collaboration agreement (ICA) with another school district, county office of education, or charter school for the district to offer the same or similar courses and coursework to students from another school district, county office of education, or charter school who have been impacted by any of the following: (Education Code 48345)

1. Disruptions or cancellations in science, technology, engineering, and mathematics (STEM) classes
2. Disruptions or cancellations in dual language immersion programs
3. Teacher shortages in STEM classes or dual language immersion programs

Prior to accepting students for classes for any of the reasons specified in Items #1-3 above, the Superintendent or designee shall, with Board approval, determine the maximum number of students that the district can accept for these purposes. The district shall accept students who apply until the district is at maximum capacity.

Students shall be transferred to this program through an unbiased process that prohibits an inquiry into, or evaluation or consideration of, whether a student should be authorized to participate in the course or coursework based upon the student's current academic or athletic performance, proficiency in English, physical condition, any of the individual characteristics specified in Education Code 200, or family income. If the number of applicants exceeds the number of seats available, the approval for participation shall be determined by a random public drawing at a regularly scheduled Board meeting. (Education Code 48345)

The Superintendent or designee shall publicly post information, including, but not limited to, applicable forms and timelines for submission pursuant to the ICA, to ensure that students and their families are aware of the opportunities to participate. (Education Code 48345)

When negotiating the ICA, the Superintendent or designee shall collaborate with the other participating local educational agencies to agree upon an appropriate shared cost structure. (Education Code 48345)

### **Transportation**

Upon parent/guardian request, the district shall provide transportation assistance to a student receiving an interdistrict transfer who is eligible for free and reduced-price meals and is the child of an active duty military parent/guardian or a victim of bullying, as defined in Education Code 46600. (Education Code 46600)

Additionally, upon request of a student's parent/guardian, the Superintendent or designee may authorize transportation for any interdistrict transfer student to and from designated bus stops within the attendance area of the school that the student attends, if space is available.

## Regulation 5117: Interdistrict Attendance

In accordance with an agreement between the district and another district, a permit authorizing a student of either district to enroll in the other district may be issued upon approval of both districts.

The district shall post on its website the procedures and timelines for requesting an interdistrict transfer permit, including a link to Board Policy 5117 - Interdistrict Attendance. The posted information shall include, but is not limited to: (Education Code 46600.1, 46600.2)

1. The date upon which the district will begin accepting and processing interdistrict transfer requests for the following school year
2. The reasons for which the district may approve or deny a request, and any information or documents that must be submitted as supporting evidence
3. If applicable, the process and timelines by which a denial of a request may be appealed within the district before the district renders a final decision
4. A statement that failure of a parent/guardian to meet any timelines established by the district shall be deemed an abandonment of the request
5. Applicable timelines for processing a request, including the following statements:
  - a. For an interdistrict transfer request received by the district 15 or fewer calendar days before the commencement of instruction in the school year for which the transfer is sought, the district will notify the parent/guardian of its final decision within 30 calendar days from the date the request was received
  - b. For an interdistrict transfer request received by the district more than 15 days before the commencement of instruction in the school year for which the interdistrict transfer is sought, the district will notify the parent/guardian of its final decision as soon as possible, but no later than 14 calendar days after the commencement of instruction in the school year for which transfer is sought
6. The conditions under which an existing interdistrict transfer permit may be revoked or rescinded

Priority for interdistrict attendance shall be given to a student who has been determined, through an investigation by either the district of residence or district of proposed enrollment, to be a victim of an act of bullying, as defined in Education Code 48900(r), committed by a student of the district of residence. (Education Code 46600)

Until the district is at maximum capacity, the district shall accept any student whose interdistrict transfer application is based on being the victim of an act of bullying or a child of an active duty military parent/guardian. The district shall ensure that such students are transferred through an unbiased process that prohibits an inquiry into or evaluation or consideration of whether a student should be enrolled based on academic or athletic performance, physical condition, proficiency in English, family income, or any of the individual characteristics set forth in Education Code 220, including, but not limited to, race or ethnicity, gender, gender identity, gender expression, and immigration status. (Education Code 46600)

Additionally, the Superintendent or designee may approve an interdistrict attendance permit for a student for any of the following reasons when stipulated in the agreement:

1. To meet the child care needs of the student, only as long as the student's child care provider remains within district boundaries
2. To meet the student's special mental or physical health needs as certified by a physician, school psychologist,

or other appropriate school personnel

3. When the student has a sibling attending school in the receiving district, to avoid splitting the family's attendance
4. To allow the student to complete a school year when the student's parents/guardians have moved out of the district during that year
5. To allow the student to remain with a class graduating that year from an elementary, middle, or senior high school
6. To allow a high school senior to attend the same school attended as a junior, even if the student's family moved out of the district during the junior year
7. When the parent/guardian provides written evidence that the family will be moving into the district in the immediate future and would like the student to start the school year in the district
8. When the student will be living out of the district for one year or less
9. When recommended by the school attendance review board, or by county child welfare, probation, or social service agency staff in documented cases of serious home or community problems which make it inadvisable for the student to attend the school of residence
10. When there is valid interest in a particular educational program not offered in the district of residence
11. To provide a change in school environment for reasons of personal and social adjustment

The Superintendent or designee may deny initial requests for interdistrict attendance permits due to limited district resources, overcrowding of school facilities at the relevant grade level, or other considerations that are not arbitrary. However, once a student is transferred, the district shall not deny continued attendance because of overcrowded facilities at the relevant grade level.

If the transfer request is for a school year that begins within 15 calendar days of the receipt of the request, the Superintendent or designee shall notify the parent/guardian of the final decision within 30 calendar days of receiving the request. If the transfer request is for a school year that begins more than 15 calendar days after the receipt of the request, the parent/guardian shall be notified of the final decision as soon as possible, but no later than 14 calendar days after the commencement of instruction during that school year. (Education Code 46600.2)

If a student's interdistrict transfer request is denied, the Superintendent or designee shall, in writing, notify the parents/guardians of their right to appeal to the County Board of Education within 30 calendar days from the date of the final denial. (Education Code 46600.2)

All notices to parents/guardians regarding the district's decision on any request for interdistrict transfer shall conform to the translation requirements of Education Code 48985, and may be provided by regular mail, electronic format if the parent/guardian provides an email address, or by any other method normally used to communicate with parents/guardians in writing. (Education Code 46600.2)

Pending a decision by the two districts or by the County Board on appeal, the Superintendent or designee may provisionally transfer a student who resides in another district for a period not to exceed two school months, provided the district is the district of proposed enrollment. If the decision has not been rendered by the conclusion of two school months and the districts or County Board is still operating within the prescribed timelines, the student shall not be allowed to continue attending the district school to which the student was provisionally transferred. (Education Code 46603)

Students who are under consideration for expulsion or who have been expelled may not appeal interdistrict attendance denials or rescissions while expulsion proceedings are pending or during the term of the expulsion. (Education Code 46601)

Once a student is transferred to a school on the basis of an interdistrict attendance permit, the student shall not be required to reapply for an interdistrict transfer and shall be allowed to continue to attend the school of enrollment,

unless reapplication standards are otherwise specified in the interdistrict attendance agreement. Existing interdistrict attendance permits shall not be rescinded after June 30 following a student's completion of grade 10 or for any student entering grade 11 or 12 in the subsequent school year. (Education Code 46600)

### **Transfers Out of the District**

A student whose parent/guardian is in active military duty shall not be prohibited from transferring out of the district, provided the school district of proposed enrollment approves the application for transfer. (Education Code 46600, 48307)

If the district is unable to provide an intradistrict transfer to a student who is a victim of an act of bullying, as defined in Education Code 46600, the district shall not prohibit the student from transferring out of the district if the district of proposed enrollment approves the application for transfer. (Education Code 46600)

The district may limit transfers out of the district to a school district of choice under any of the following circumstances: (Education Code 48307)

1. The number of student transfers out of the district to a school district of choice has reached the limit specified in Education Code 48307 based on the district's average daily attendance
2. The County Superintendent of Schools has given the district a qualified or negative budget certification or has determined that the district will not meet the state's standards and criteria for fiscal stability in the subsequent fiscal year exclusively as a result of student transfers from this district to a school district of choice
3. The Board determines that the transfer would negatively impact any of the following: (Education Code 48307)
  - a. A court-ordered desegregation plan
  - b. A voluntary desegregation plan of the district, consistent with the California Constitution, Article 1, Section 31
  - c. The racial and ethnic balance of the district, consistent with the California Constitution, Article 1, Section 31

YOUR DISTRICT'S POLICY ON SEXUAL HARASSMENT

## SEXUAL HARASSMENT

The Governing Board is committed to maintaining a safe school environment that is free from harassment and discrimination. The Board prohibits, at school or at school-sponsored or school-related activities, sexual harassment targeted at any student by anyone. The Board also prohibits retaliatory behavior or action against any person who reports, files a complaint or testifies about, or otherwise supports a complainant in alleging sexual harassment.

The district strongly encourages students who feel that they are being or have been sexually harassed on school grounds or at a school-sponsored or school-related activity by another student or an adult, or who have experienced off-campus sexual harassment that has a continuing effect on campus, to immediately contact their teacher, the principal, the district's Title IX Coordinator, or any other available school employee. Any employee who receives a report or observes an incident of sexual harassment shall notify the Title IX Coordinator.

Once notified, the Title IX Coordinator shall ensure the complaint or allegation is addressed through AR 5145.71 - Title IX Sexual Harassment Complaint Procedures or BP/AR 1312.3 - Uniform Complaint Procedures, as applicable. Because a complaint or allegation that is dismissed or denied under the Title IX complaint procedure may still be subject to consideration under state law, the Title IX Coordinator shall ensure that any implementation of AR 5145.71 concurrently meets the requirements of BP/AR 1312.3.

The Title IX Coordinator shall offer supportive measures to the complainant and respondent, as deemed appropriate under the circumstances.

The Superintendent or designee shall inform students and parents/guardians of the district's sexual harassment policy by disseminating it through parent/guardian notifications, publishing it on the district's web site, and including it in student and staff handbooks. All district staff shall be trained regarding the policy.

### **Instruction/Information**

The Superintendent or designee shall ensure that all district students receive age-appropriate information on sexual harassment. Such instruction and information shall include:

1. What acts and behavior constitute sexual harassment, including the fact that sexual harassment could occur between people of the same sex and could involve sexual violence
2. A clear message that students do not have to endure sexual harassment under any circumstance

**SEXUAL HARASSMENT (continued)**

3. Encouragement to report observed incidents of sexual harassment even when the alleged victim of the harassment has not complained
4. A clear message that student safety is the district's primary concern, and that any separate rule violation involving an alleged victim or any other person reporting a sexual harassment incident will be addressed separately and will not affect the manner in which the sexual harassment complaint will be received, investigated, or resolved
5. A clear message that, regardless of a complainant's noncompliance with the writing, timeline, or other formal filing requirements, every sexual harassment allegation that involves a student, whether as the complainant, respondent, or victim of the harassment, shall be investigated and action shall be taken to respond to harassment, prevent recurrence, and address any continuing effect on students
6. Information about the district's procedures for investigating complaints and the person(s) to whom a report of sexual harassment should be made
7. Information about the rights of students and parents/guardians to file a civil or criminal complaint, as applicable, including the right to file a civil or criminal complaint while the district investigation of a sexual harassment complaint continues
8. A clear message that, when needed, the district will implement supportive measures to ensure a safe school environment for a student who is the complainant or victim of sexual harassment and/or other students during an investigation

**Disciplinary Actions**

Upon completion of an investigation of a sexual harassment complaint, any student found to have engaged in sexual harassment or sexual violence in violation of this policy shall be subject to disciplinary action. For students in grades 4-12, disciplinary action may include suspension and/or expulsion, provided that, in imposing such discipline, the entire circumstances of the incident(s) shall be taken into account.

Upon investigation of a sexual harassment complaint, any employee found to have engaged in sexual harassment or sexual violence toward any student shall be subject to disciplinary action, up to and including dismissal, in accordance with law and the applicable collective bargaining agreement.

**Students****SEXUAL HARASSMENT**

The Board prohibits, at school or at school-sponsored or school-related activities, sexual harassment targeted at any student by anyone. The Board also prohibits retaliatory behavior or action against any person who reports, files a complaint or testifies about, or otherwise supports a complainant in alleging sexual harassment.

The district strongly encourages any student who feels that he/she is being or has been sexually harassed on school grounds or at a school-sponsored or school-related activity by another student or an adult who has experienced off-campus sexual harassment that has a continuing effect on campus to immediately contact his/her teacher, the principal, or any other available school employee. Any employee who receives a report or observes an incident of sexual harassment shall notify the principal or a district compliance officer. Once notified, the principal or compliance officer shall take the steps to investigate and address the allegation, as specified in the accompanying administrative regulation.

The Superintendent or designee shall take appropriate actions to reinforce the district's sexual harassment policy.

**Instruction/Information**

The Superintendent or designee shall ensure that all district students receive age-appropriate information on sexual harassment. Such instruction and information shall include:

5. A clear message that, regardless of a complainant's noncompliance with the writing, timeline, or other formal filing requirements, every sexual harassment allegation that involves a student, whether as the complainant, respondent, or victim of the harassment, shall be investigated and prompt action shall be taken to stop any harassment, prevent recurrence, and address any continuing effect on students

**SEXUAL HARASSMENT (continued)**

6. Information about the district's procedure for investigating complaints and the person(s) to whom a report of sexual harassment should be made
7. Information about the rights of students and parents/guardians to file a civil or criminal complaint, as applicable, including the right to file a civil or criminal complaint while the district investigation of a sexual harassment complaint continues
8. A clear message that, when needed, the district will take interim measures to ensure a safe school environment for a student who is the complainant or victim of sexual harassment and/or other students during an investigation and that, to the extent possible, when such interim measures are taken, they shall not disadvantage the complainant or victim of the alleged harassment

**Complaint Process and Disciplinary Actions**

Sexual harassment complaints by and against students shall be investigated and resolved in accordance with law and district procedures specified in AR 1312.3 - Uniform Complaint Procedures. Principals are responsible for notifying students and parents/guardians that complaints of sexual harassment can be filed under AR 1312.3 and where to obtain a copy of the procedures.

Upon investigation of a sexual harassment complaint, any student found to have engaged in sexual harassment or sexual violence in violation of this policy shall be subject to disciplinary action. For students in grades 4-12, disciplinary action may include suspension and/or expulsion, provided that, in imposing such discipline, the entire circumstances of the incident(s) shall be taken into account.

Upon investigation of a sexual harassment complaint, any employee found to have engaged in sexual harassment or sexual violence toward any student shall have his/her employment terminated in accordance with law and the applicable collective bargaining agreement.

**Record-Keeping**

The Superintendent or designee shall maintain a record of all reported cases of sexual harassment to enable the district to monitor, address, and prevent repetitive harassing behavior in district schools.

10. Displaying sexually suggestive objects
11. Sexual assault, sexual battery, or sexual coercion
12. Electronic communications containing comments, words, or images described above

Any prohibited conduct that occurs off campus or outside of school-related or school-sponsored programs or activities will be regarded as sexual harassment in violation of district policy if it has a continuing effect on or creates a hostile school environment for the complainant or victim of the conduct.

**Reporting Process and Complaint Investigation and Resolution**

Any student who believes that he/she has been subjected to sexual harassment by another student, an employee, or a third party or who has witnessed sexual harassment is strongly encouraged to report the incident to his/her teacher, the principal, or any other available school employee. Within one school day of receiving such a report, the school employee shall forward the report to the principal or the district's compliance officer identified in AR 1312.3. In addition, any school employee who observes an incident of sexual harassment involving a student shall, within one school day, report his/her observation to the principal or a district compliance officer. The employee shall take these actions, whether or not the alleged victim files a complaint.

When a report or complaint of sexual harassment involves off-campus conduct, the principal shall assess whether the conduct may create or contribute to the creation of a hostile school environment. If he/she determines that a hostile environment may be created, the complaint shall be investigated and resolved in the same manner as if the prohibited conduct occurred at school.

When a verbal or informal report of sexual harassment is submitted, the principal or compliance officer shall inform the student or parent/guardian of the right to file a formal written complaint in accordance with the district's uniform complaint procedures. Regardless of whether a formal complaint is filed, the principal or compliance officer shall take steps to

## **SEXUAL HARASSMENT (continued)**

investigate the allegations and, if sexual harassment is found, shall take prompt action to stop it, prevent recurrence, and address any continuing effects.

If a complaint of sexual harassment is initially submitted to the principal, he/she shall, within two school days, forward the report to the compliance officer to initiate investigation of the complaint. The compliance officer shall contact the complainant and investigate and resolve the complaint in accordance with law and district procedures specified in AR 1312.3.

In investigating a sexual harassment complaint, evidence of past sexual relationships of the victim shall not be considered, except to the extent that such evidence may relate to the victim's prior relationship with the respondent.

In any case of sexual harassment involving the principal, compliance officer, or any other person to whom the incident would ordinarily be reported or filed, the report may instead be submitted to the Superintendent or designee who shall determine who will investigate the complaint.

### **Confidentiality**

All complaints and allegations of sexual harassment shall be kept confidential except as necessary to carry out the investigation or take other subsequent necessary action. (5 CCR 4964)

However, when a complainant or victim of sexual harassment notifies the district of the harassment but requests confidentiality, the compliance officer shall inform him/her that the request may limit the district's ability to investigate the harassment or take other necessary action. When honoring a request for confidentiality, the district will nevertheless take all reasonable steps to investigate and respond to the complaint consistent with the request.

When a complainant or victim of sexual harassment notifies the district of the harassment but requests that the district not pursue an investigation, the district will determine whether or not it can honor such a request while still providing a safe and nondiscriminatory environment for all students.

### **Response Pending Investigation**

When an incident of sexual harassment is reported, the principal or designee, in consultation with the compliance officer, shall determine whether interim measures are necessary pending the results of the investigation. The principal/designee or compliance officer shall take immediate measures necessary to stop the harassment and protect students and/or ensure their access to the educational program. To the extent possible, such interim measures shall not disadvantage the complainant or victim of the alleged harassment. Interim measures may include placing the individuals involved in separate classes or transferring a student to a class taught by a different teacher, in accordance with law and Board policy. The school should notify the individual who was harassed of his/her options to avoid contact with the alleged

harasser and allow the complainant to change academic and extracurricular arrangements as appropriate. The school should also ensure that the complainant is aware of the resources and assistance, such as counseling, that are available to him/her. As appropriate, such actions shall be considered even when a student chooses to not file a formal complaint or the sexual harassment occurs off school grounds or outside school-sponsored or school-related programs or activities.

**Notifications**

A copy of the district's sexual harassment policy and regulation shall:

1. Be included in the notifications that are sent to parents/guardians at the beginning of each school year (Education Code 48980; 5 CCR 4917)
2. Be displayed in a prominent location in the main administrative building or other area where notices of district rules, regulations, procedures, and standards of conduct are posted (Education Code 231.5)

A copy of the district's sexual harassment policy and regulation shall be posted on district and school web sites and, when available, on district-supported social media.

3. Be provided as part of any orientation program conducted for new students at the beginning of each quarter, semester, or summer session (Education Code 231.5)
4. Appear in any school or district publication that sets forth the school's or district's comprehensive rules, regulations, procedures, and standards of conduct (Education Code 231.5)
5. Be included in the student handbook
6. Be provided to employees and employee organizations

**SEXUAL HARASSMENT (continued)**

When a report or complaint of sexual harassment involves off-campus conduct, the Title IX Coordinator shall assess whether the conduct may create or contribute to the creation of a hostile school environment. If the Title IX Coordinator determines that a hostile environment may be created, the complaint shall be investigated and resolved in the same manner as if the prohibited conduct occurred at school.

When a verbal or informal report of sexual harassment is submitted, the Title IX Coordinator shall inform the student or parent/guardian of the right to file a formal written complaint in accordance with applicable district complaint procedures.

**Complaint Procedures**

All complaints and allegations of sexual harassment by and against students shall be investigated and resolved in accordance with law and district procedures. The Title IX Coordinator shall review the allegations to determine the applicable procedure for responding to the complaint. All complaints that meet the definition of sexual harassment under Title IX shall be investigated and resolved in accordance with AR 5145.71 - Title IX Sexual Harassment Complaint Procedures. Other sexual harassment complaints shall be investigated and resolved pursuant to BP/AR 1312.3 - Uniform Complaint Procedures.

If sexual harassment is found following an investigation, the Title IX Coordinator, or designee in consultation with the Coordinator, shall take prompt action to stop the sexual harassment, prevent recurrence, implement remedies, and address any continuing effects.

**TITLE IX SEXUAL HARASSMENT COMPLAINT PROCEDURES**

The complaint procedures described in this administrative regulation shall be used to address any complaint governed by Title IX of the Education Amendments of 1972 alleging that a student, while in an education program or activity in which a district school exercises substantial control over the context and respondent, was subjected to one or more of the following forms of sexual harassment: (34 CFR 106.30, 106.44)

1. A district employee conditioning the provision of a district aid, benefit, or service on the student's participation in unwelcome sexual conduct
2. Unwelcome conduct determined by a reasonable person to be so severe, pervasive, and objectively offensive that it effectively denies a student equal access to the district's education program or activity
3. Sexual assault, dating violence, domestic violence, or stalking as defined in 20 USC 1092 or 34 USC 12291

All other sexual harassment complaints or allegations brought by or on behalf of students shall be investigated and resolved in accordance with BP/AR 1312.3 - Uniform Complaint Procedures. The determination of whether the allegations meet the definition of sexual harassment under Title IX shall be made by the district's Title IX Coordinator.

Because the complainant has a right to pursue a complaint under BP/AR 1312.3 for any allegation that is dismissed or denied under the Title IX complaint procedure, the Title IX Coordinator shall ensure that all requirements and timelines for BP/AR 1312.3 are concurrently met while implementing the Title IX procedure.

**Reporting Allegations/Filing a Formal Complaint**

A student who is the alleged victim of sexual harassment or the student's parent/guardian may submit a report of sexual harassment to the district's Title IX Coordinator using the contact information listed in AR 5145.7 - Sexual Harassment or to any other available school employee, who shall forward the report to the Title IX Coordinator within one day of receiving the report.

Upon receiving such a report, the Title IX Coordinator shall inform the complainant of the right to file a formal complaint and the process for filing a formal complaint. (34 CFR 106.44)

## “KNOW YOUR EDUCATIONAL RIGHTS” IMMIGRATION ENFORCEMENT FROM THE CALIFORNIA ATTORNEY GENERAL

### **Your Child Has the Right to a Free Public Education**

- All children in the United States have a Constitutional right to equal access to free public education, regardless of immigration status and regardless of the immigration status of the student’s parents or guardians.
- In California:
  - All children have the right to a free public education.
  - All children ages 6 to 18 years must be enrolled in school.
  - All students and staff have the right to attend safe, secure, and peaceful schools.
  - All students have a right to be in a public school learning environment free from discrimination, harassment, bullying, violence, and intimidation.
  - All students have equal opportunity to participate in any program or activity offered by the school, and cannot be discriminated against based on their race, nationality, gender, religion, or immigration status, among other characteristics.

### **Information Required for School Enrollment**

- When enrolling a child, schools must accept a variety of documents from the student’s parent or guardian to demonstrate proof of child’s age or residency.
- You never have to provide information about citizenship/immigration status to have your child enrolled in school. Also, you never have to provide a Social Security number to have your child enrolled in school.

### **Confidentiality of Personal Information**

- Federal and state laws protect student education records and personal information. These laws generally require that schools get written consent from parents or guardians before releasing student information, unless the release of information is for educational purposes, is already public, or is in response to a court order or subpoena.
- Some schools collect and provide publicly basic student “directory information.” If they do, then each year, your child’s school district must provide parents/guardians with written notice of the school’s directory information policy,

and let you know of your option to refuse release of your child's information in the directory.

### **Family Safety Plans If You Are Detained or Deported**

- You have the option to provide your child's school with emergency contact information, including the information of secondary contacts, to identify a trusted adult guardian who can care for your child in the event you are detained or deported.
- You have the option to complete a Caregiver's Authorization Affidavit or a Petition for Appointment of Temporary Guardian of the Person, which may enable a trusted adult the authority to make educational and medical decisions for your child.

### **Right to File a Complaint**

- Your child has the right to report a hate crime or file a complaint to the school district if they are discriminated against, harassed, intimidated, or bullied on the basis of their actual or perceived nationality, ethnicity, or immigration status.

## HEALTHY SCHOOLS ACT OF 2000

Notice to all students, parents/guardians and employees of the Knights Ferry Elementary School District:

Education Code sections 17608 et seq. requires, among other things, that school districts notify parents and staff about the use of pesticides at school. The purpose is to reduce exposure to toxic pesticides through information and application of an integrated pest management system at schools. Towards this end, and pursuant to the requirements of this legislation, please be advised of the following:

The Knights Ferry Elementary School District expects to use the following pesticides at its campuses during the upcoming year:

Pesticide Name	E.P.A. Reg. Number	Active Ingredient(s)
----------------	--------------------	----------------------

Parents/guardians of the Knights Ferry Elementary School District can register with the District's designee, Lindsey Moore to receive notification of individual pesticide applications by calling 209-881-3382. Persons who register for this notification shall be notified at least seventy-two (72) hours prior to the application, except in emergencies, and will be provided the name and active ingredient(s) of the pesticide as well as the intended date of application.

If you wish to access information on pesticides and pesticide use reduction developed by the Department of Pesticide Regulation pursuant to California Food and Agricultural Code section 13184, you can do so by accessing the Department's web-site at [www.cdpr.ca.gov](http://www.cdpr.ca.gov).

**Model Notification of Rights Under the Protection of  
Pupil Rights Amendment (PPRA)**

PPRA affords parents certain rights regarding our conduct of surveys, collection and use of information for marketing purposes, and certain physical exams. These include the right for parents of minor students to:

- A. Consent before students are required to submit a survey that concerns one or more of the following protected areas (“protected information survey”) if the survey is funded in whole or in part by a program of the U.S. Department of Education (ED):
  - 1. Political affiliations or beliefs of the student or student’s parent;
  - 2. Mental or psychological problems of the student or student’s family;
  - 3. Sex behavior or attitudes;
  - 4. Illegal, anti-social, self-incriminating, or demeaning behavior;
  - 5. Critical appraisals of others with whom respondents have close family relationships;
  - 6. Legally recognized privileged relationships, such as with lawyers, doctors, or ministers;
  - 7. Religious practices, affiliations, or beliefs of the student or parents; or
  - 8. Income, other than as required by law to determine program eligibility.
  
- B. Receive notice and an opportunity to opt a student out of:
  - 1. Any other protected information survey, regardless of funding;
  - 2. Any non-emergency, invasive physical exam or screening required as a condition of attendance, administered by the school or its agent, and not necessary to protect the immediate health and safety of a student, except for hearing, vision, or scoliosis screening, or any physical exam or screening permitted or required under State law; and
  - 3. Activities involving collection, disclosure, or use of personal information obtained from students for marketing or to sell or otherwise distribute the information to others.
  
- C. Inspect, upon request and before administration or use:
  - 1. Protected information surveys of students;

2. Instruments used to collect personal information from students for any of the above marketing, sales, or other distribution purposes; and
3. Instructional material used as part of the education curriculum.

These rights transfer from the parents to a student who is 18 years old or an emancipated minor under State law.

**[The District will/has develop[ed] and adopt[ed]]** policies, in consultation with parents, regarding these rights, as well as arrangements to protect student privacy in the administration of protected surveys and the collection, disclosure, or use of personal information for marketing, sales, or other distribution purposes. **Knights Ferry Elementary School District** will directly notify parents of these policies at least annually at the start of each school year and after any substantive changes. **Knights Ferry Elementary School District** will also directly notify, such as through U.S. Mail or email, parents of students who are scheduled to participate in the specific activities or surveys noted below and will provide an opportunity for the parent to opt their child out of participation of the specific activity or survey. **Knights Ferry Elementary School District** will make this notification to parents at the beginning of the school year if the District has identified the specific or approximate dates of the activities or surveys at that time. For surveys and activities scheduled after the school year starts, parents will be provided reasonable notification of the planned activities and surveys listed below and be provided an opportunity to opt their child out of such activities and surveys. Parents will also be provided an opportunity to review any pertinent surveys. The following is a list of the specific activities and surveys covered under this requirement:

1. Collection, disclosure, or use of personal information for marketing, sales or other distribution.
2. Administration of any unprotected information survey not funded in whole or in part by the Department of Education.
9. Any non-emergency, invasive physical examination or screening as described above.

Parents/eligible students who believe their rights have been violated may file a complaint with:

Family Policy Compliance Office  
U.S. Department of Education  
400 Maryland Avenue, SW  
Washington, D.C. 20202-5920

## CHILD ABUSE REPORTING GUIDELINES AND PROCEDURES

The following information will assist parents and guardians in determining whether or not child abuse has occurred and, if so, how to file a complaint of child abuse with local law enforcement. This information has been taken from the California Child Abuse and Neglect Reporting Act in the California Penal Code and from sections of the California Education Code.

### Child Abuse Can Be Any of the Following:

1. A physical injury which is inflicted on a child by another person other than by accidental means.
10. The sexual abuse, assault, or exploitation of a child, such as:
  - a. The negligent treatment or maltreatment of a child by a person responsible for the child's welfare under circumstances indicating harm or threatened harm to the child's health or welfare, whether the harm or threatened harm is from acts or omissions on the part of the responsible person;
  - b. The willful infliction upon a child of any cruel or inhumane corporal punishment or any injury resulting in a traumatic condition; or
  - c. The willful harming or injuring of a child or endangering of the person or the health of a child where the person responsible for the child's welfare is a licensee, administrator, or employee of any facility licensed to care for children or an administrator or employee of a public or private school or other institution or agency.

### Child Abuse Does *Not* Include:

11. A mutual fight between minors;
12. An injury that is caused by the actions of a peace officer using reasonable and necessary force within the scope of their employment; or
13. An injury caused by any force that is reasonable and necessary for a person employed by or engaged in a school:
  - d. To stop a disturbance threatening physical injury to people or damage to property;
  - e. For purposes of self-defense;
  - f. To obtain possession of weapons or other dangerous objects within control of a pupil; or

- g. To exercise the degree of control reasonably necessary to maintain order, protect property, protect the health and safety of pupils, and maintain proper and appropriate conditions conducive to learning.

### **How to File a Complaint of Child Abuse Committed at a School Site**

Parents and guardians of pupils have the right to file a complaint against a school employee or other person that they suspect has engaged in abuse of a child at a school site. To file a complaint, the parent or guardian must file a formal report with an appropriate local law enforcement agency. An appropriate law enforcement agency may be one of the following:

1. A Police or Sheriff's Department (not including a school district police department or school security department)
14. A County Probation Department if designated by the county to receive child abuse reports, or
15. A County Welfare Department/County Child Protective Services.

The complaint may be filed over the telephone, in person, or in writing. A complaint may also be filed at the same time with your school district or county office of education. School districts and county offices of education, however, do not investigate child abuse allegations.

The local law enforcement agency is required to investigate all complaints.

If the complaint of child abuse is "substantiated" or confirmed by the local law enforcement agency, meaning that the report of child abuse or neglect, as determined by the law enforcement investigator who conducted the investigation, is, based upon the evidence, more likely to have occurred than not, then a report of the investigation will be transmitted by the law enforcement agency to the governing board of the local school district or County Office of Education. A confirmed report of child abuse or neglect received by a governing board of a school district or County Office of Education will be subject to the provisions of California Education Code section 44031, which gives school employees certain rights regarding personnel information and records.

In addition, a confirmed report shall be forwarded by the law enforcement agency that investigated the complaint to the California Department of Justice according to California Penal Code section 11169 and notice will be provided to the alleged child abuser that they have been reported to the Child Abuse Central Index, as maintained by the Department of Justice.

*This guidance is mandatory only to the extent that it cites a specific statutory and/or regulatory requirement. Any portion of this guidance that is not supported by a specific statutory and/or regulatory requirement is not prescriptive pursuant to California Education Code section 33308.5.*

## AUTHORIZATION FOR MEDICATION ADMINISTRATION

Pursuant to Education Code section 49423, students who are required to take medication prescribed by a physician, surgeon, or physician assistant during the regular school day (including over-the-counter medications such as aspirin, cold medicine, etc.) may obtain assistance from a school nurse or other designated employee if the District receives a written statement from both the student's physician, surgeon, or physician's assistant ("Provider"), and the student's parent/guardian authorizing the use of the medication and requesting assistance in its administration.

Except for certain self-administered medications ("epi-pen," "inhaler," or "insulin") authorized for personal use, students may not self-medicate or possess any over-the-counter or prescription medication while on District property. Unless otherwise governed by an Individualized Education Plan or Section 504 Plan, completion of this Authorization and compliance with its obligations by the parent/guardian and student is required to maintain the privilege afforded by section 49423. In addition, pursuant to Education Code section 49480 and this Authorization, the school nurse is authorized to contact the Provider below to have any question, issue, or safety concern addressed regarding the proper storage, handling, or administration of the medication, and the possible effects of the drug on the student's physical, intellectual, and social behavior, as well as possible behavioral signs and symptoms of adverse side effects, omission, or overdose. District employees may also communicate the existence of this Authorization to teachers and other employees who may supervise the Student.

## TYPE 1 DIABETES INFORMATION SHEET

Type 1 diabetes in children is an autoimmune disease that can be fatal if untreated, and the guidance provided in this information sheet is intended to raise awareness about his disease.

Type 1 diabetes usually develops in children and young adults, but can occur at any age.

- According to the U.S. Centers for Disease Control and Prevention (CDC), cases of type 1 diabetes in youth increased nationally from 187,000 in 2018 to 244,000 in 2019, representing an increase of 25 per 10,000 youths to 35 per 10,000 youths, respectively.
- The peak age of diagnosis of type 1 diabetes is 13-14 years, but diagnosis can also occur much earlier or later in life.

Type 1 diabetes affects insulin production.

- As a normal function, the body turns the carbohydrates in food into glucose (blood sugar), the basic fuel for the body's cells.
- The pancreas makes insulin, a hormone that moves glucose from the blood into the cells.
- In type 1 diabetes, the body's pancreas stops making insulin, and blood glucose levels rise.
- Over time, glucose can reach dangerously high levels in the blood, which is called hyperglycemia.
- Untreated hyperglycemia can result in diabetic ketoacidosis (DKA), which is a life-threatening complication of diabetes.

### Risk Factors Associated with Type 1 Diabetes

- It is recommended that students displaying warning signs associated with type 1 diabetes, which are described below, should be screened (tested) for the disease by their health care provider.
- Researchers do not completely understand why some people develop type 1 diabetes and others do not; however, having a family history of type 1 diabetes can increase the likelihood of developing type 1 diabetes.
- Other factors may play a role in developing type 1 diabetes, including environmental triggers such as viruses.
- Type 1 diabetes is not caused by diet or lifestyle choices.

## Warning Signs and Symptoms Associated with Type 1 Diabetes

- Warning signs and symptoms of type 1 diabetes in children develop quickly, in a few weeks or months, and can be severe. If your child displays the warning signs below, contact your child's primary health care provider or pediatrician for a consultation to determine if screening your child for type 1 diabetes is appropriate:
  - Increased thirst.
  - Increased urination, including bed-wetting after toilet training.
  - Increased hunger, even after eating.
  - Unexplained weight loss.
  - Feeling very tired.
  - Blurred vision.
  - Very dry skin.
  - Slow healing of sores or cuts.
  - Moodiness, restlessness, irritability, or behavior changes.
- DKA is a complication of untreated type 1 diabetes. DKA is a medical emergency. Symptoms include:
  - Fruity breath.
  - Dry/flushed skin.
  - Nausea.
  - Vomiting.

- Stomach pains.
- Trouble breathing.
- Confusion.

#### Types of Diabetes Screening Tests that are Available

- Glycated hemoglobin (A1C) test:
  - A blood test measures the average blood sugar over two to three months.
  - An A1C level of 6.5 percent or higher on two separate tests indicates diabetes.
- Random (non-fasting) blood sugar test:
  - A blood sample is taken any time without fasting.
  - A random blood sugar level of 200 milligrams per deciliter (mg/dl) or higher suggests diabetes.
- Fasting blood sugar test:
  - A blood sample is taken after an overnight fast.
  - A level of 126 mg/dl or higher on two separate tests indicates diabetes.
- Oral glucose tolerance test:
  - A test measuring the fasting blood sugar level after an overnight fast with periodic testing for the next several hours after drinking a sugary liquid.
  - A reading of more than 200 mg/dl after two hours indicates diabetes.

#### Type 1 Diabetes Treatments

- There are no known ways to prevent type 1 diabetes. Once type 1 diabetes develops, medication is the only treatment.

- If your child is diagnosed with type 1 diabetes, their health care provider will be able to help develop a treatment plan.
- Your child's health care provider may refer your child to an endocrinologist, a doctor specializing in the endocrine system and its disorders, such as diabetes.

Please contact your student's school nurse, school administrator, or health care provider if you have any questions.

## TYPE 2 DIABETES INFORMATION SHEET

- Type 2 diabetes is the most common form of diabetes in adults.
  - Until recently, type 2 diabetes was rare in children, but it is becoming more common, especially for overweight teens
  - According to the U.S. Centers for Disease Control and Prevention (CDC), one in three American children born after 2000 will develop type 2 diabetes in their lifetime.
- Type 2 diabetes affects the way the body is able to use sugar (glucose) for energy.
  - As a normal function, the body turns the carbohydrates in food into glucose (blood sugar), the basic fuel for the body's cells.
  - The pancreas makes insulin, a hormone that moves glucose from the blood into the cells.
  - In type 2 diabetes, the body's cells resist the effects of insulin, and blood glucose levels rise.
  - Over time, glucose can reach dangerously high levels in the blood, which is called hyperglycemia.
  - Untreated hyperglycemia can lead to health problems like heart disease, blindness, and kidney failure.

### Risk Factors Associated with Type 2 Diabetes

- It is recommended that students displaying warning signs associated with type 2 diabetes, which are described below, should be screened (tested) for the disease by their health care provider.
- Researchers do not completely understand why some people develop type 2 diabetes and others do not; however, the following risk factors are associated with an increased risk of type 2 diabetes in children:
  - Being overweight. The single greatest risk factor for type 2 diabetes in children is excess weight. In the U.S., almost one out of every five

children is overweight. The chances are more than double that an overweight child will develop diabetes.

- Family history of diabetes. Many affected children and youth have at least one parent with diabetes or have a significant family history of the disease.
- Inactivity. Being inactive further reduces the body's ability to respond to insulin.
- Specific racial/ethnic groups. Native Americans, African Americans, Hispanics/Latinos, or Asian/Pacific Islanders are more prone than other ethnic groups to develop type 2 diabetes.
- Puberty. Young people in puberty are more likely to develop type 2 diabetes than younger children, probably because of normal rises in hormone levels that can cause insulin resistance during this stage of rapid growth and physical development.

#### Warning Signs and Symptoms Associated with Type 2 Diabetes

- Warning signs and symptoms of type 2 diabetes in children develop slowly, and initially there may be no symptoms. However, not everyone with insulin resistance or type 2 diabetes develops these warning signs, and not everyone who has these symptoms necessarily has type 2 diabetes.
  - Increased thirst, dry mouth, and frequent urination.
  - Increased hunger, even after eating.
  - Unexplained weight loss.
  - Feeling very tired.
  - Blurred vision.
  - Slow healing of sores or cuts.
  - Dark velvety or ridged patches of skin, especially on the back of the neck or under the arms.

- Irregular periods, no periods, and/or excess facial and body hair growth in girls.
- High blood pressure or abnormal blood fat levels.

#### Type 2 Diabetes Prevention Methods and Treatments

- Healthy lifestyle choices can help prevent and treat type 2 diabetes. Even with a family history of diabetes, eating healthy foods in the correct amounts and exercising regularly can help children achieve or maintain a normal body weight and normal blood glucose levels.
  - Eat healthy foods. Make wise food choice. Eat foods low in fat and calories.
  - Get more physical activity. Increase physical activity to at least 60 minutes every day.
  - Take medication. If diet and exercise are not enough to control the disease, it may be necessary to treat type 2 diabetes with medication.
- The first step in treating type 2 diabetes is to visit a doctor. A doctor can determine if a child is overweight based on the child's age, weight, and height. A doctor can request tests of a child's blood glucose to see if the child has diabetes or pre-diabetes (a condition which may lead to type 2 diabetes).

#### Types of Diabetes Screening Tests that are Available

- Glycated hemoglobin (A1C) test:
  - A blood test measures the average blood sugar over two to three months.
  - An A1C level of 6.5 percent or higher on two separate tests indicates diabetes.
- Random (non-fasting) blood sugar test:
  - A blood sample is taken any time without fasting.
  - A random blood sugar level of 200 milligrams per deciliter (mg/dl) or higher suggests diabetes.
  - This test must be confirmed with a fasting blood glucose test.

- Fasting blood sugar test:
  - A blood sample is taken after an overnight fast.
  - A fasting blood sugar level less than 100 mg/dl is normal.
  - A level of 100 to 125 mg/dl is considered pre-diabetes.
  - A level of 126 mg/dl or higher on two separate tests indicates diabetes.
  
- Oral glucose tolerance test:
  - A test measuring the fasting blood sugar level after an overnight fast with periodic testing for the next several hours after drinking a sugary liquid.
  - A reading of more than 200 mg/dl after two hours indicates diabetes.

Type 2 diabetes is a preventable/treatable disease and the guidance provided in this information sheet is intended to raise awareness about this disease. Please contact your student's school nurse, school administrator, or health care provider if you have any questions.

Dear Parent or Guardian and Knights Ferry Elementary School student:

As a parent or guardian, I know how important your child's health is to you. That's why I want to share information about human papillomavirus (HPV) and an effective way to protect your child from the cancers it can cause through immunization.

### What is HPV?

HPV is a very common virus that 8 out of 10 people will get at some point in their lifetime. Some HPV infections can lead to cancer later in life.

**HPV is estimated to cause about 37,000 cases of cancer in men and women every year in the U.S. – that's the same as the average attendance for a major league baseball game!**

Only cervical cancer, one of the cancers caused by HPV, can be detected early with a Pap test. The other cancers caused by HPV (cancers of the throat, genitals, or anus) may not be detected until they are more serious. HPV vaccination prevents infections that cause these cancers.

### How can I protect my child from HPV?

HPV vaccination can prevent over 90% of cancers caused by HPV. HPV vaccines are very safe, and scientific research shows that the benefits of HPV vaccination far outweigh the potential risks. With more than 135 million doses given in the U.S. since 2006, HPV vaccine has a long safety record that's backed by over 15 years of monitoring. Common side effects are mild and get better within a day or two. These include pain, redness, or swelling where the shot was given, similar to other vaccines.

**HPV vaccination works extremely well. Since HPV vaccination was first recommended in 2006, infections with HPV types that cause most HPV cancers have dropped 88% among teen girls and 81% among young adult women.**

Vaccination against HPV is recommended by the federal Advisory Committee on Immunization Practices, the American Academy of Pediatrics, and the American Academy of Family Physicians. It's also recommended by the American Cancer Society and California's Cancer Prevention Act.

## Who should get the vaccine and when should they get it?

**Because the vaccine is more effective when given at younger ages, two doses of HPV vaccine are recommended for all kids between the ages of 9 to 12 years, and the second dose should be given before the start of 8<sup>th</sup> grade.**

(Kids who wait until later to get their first dose of HPV vaccine may need three doses.) The HPV vaccine is often given at the same time as other adolescent vaccines, like Tdap to prevent whooping cough and meningococcal vaccine to prevent bacterial meningitis.

## Where can I get the HPV vaccine for my child?

Ask your health care provider, pharmacist, or local health department to learn more about HPV vaccine and where you can get it. The vaccine is covered by most health insurance plans. If you don't have health insurance, your child can still get vaccinated. The Vaccines for Children (VFC) Program offers free vaccines to children up to age 18 years without insurance or whose insurance does not cover the cost of vaccines.

Ask your healthcare provider or [local health department](#) about VFC, or learn more [here](#). Find doctors participating in VFC [in your area](#).

For more information on HPV, the vaccine, and cancer prevention, visit the [Centers for Disease Control and Prevention](#).

Sincerely,

Lindsey Moore  
Superintendent

## ORAL HEALTH ASSESSMENT

Dear Parent or Guardian,

Having a healthy mouth helps your child do well in school. To make sure your child is ready for school, California law *Education Code* section 49452.8 requires that your child have an oral health assessment or dental check-up in their first year in public school (transitional kindergarten, kindergarten or first grade). Every child needs an oral health assessment from a licensed dentist or other licensed or registered dental health professional, and a completed Oral Health Assessment form (attached to this letter) to meet this requirement.

If your child has not had an oral health assessment in the past 12 months, they will need one before May 31. For two-year kindergarten programs, proof of an oral health assessment is required once. Take the form located at:

to your child's dentist to complete if your child had an oral health assessment or dental check-up in the past 12 months. The following information will help you find a dentist:

1. You can call the Medi-Cal Telephone Service Center at 1-800-322-6384 or visit Smile California – Find a Dentist (<https://smilecalifornia.org/find-a-dentist/>) to find a dentist that accepts Medi-Cal. For help enrolling your child in Medi-Cal, you can apply by mail, go in person to your local Social Services office, or online at Apply for Medi-Cal (<https://www.dhcs.ca.gov/services/medi-cal/pages/applyformedi-cal.aspx>.)
2. For additional resources that may be helpful, contact your local public health department, click [Apply for Health Coverage](https://www.dhcs.ca.gov/services/medi-cal/Pages/CountyOffices.aspx) (<https://www.dhcs.ca.gov/services/medi-cal/Pages/CountyOffices.aspx>) to find yours.

When you take your child to the dentist, please bring the form to be completed.

If you cannot take your child for an oral health assessment, please fill out the separate Waiver of Oral Health Assessment Requirement Form at:

[https://www.ab1433.org/assets/KOHA\\_Waiver\\_Form\\_508\\_7.2022\\_ADA.pdf?utm\\_source=SCOHR&utm\\_medium=Reporting&utm\\_campaign=Waiver](https://www.ab1433.org/assets/KOHA_Waiver_Form_508_7.2022_ADA.pdf?utm_source=SCOHR&utm_medium=Reporting&utm_campaign=Waiver)

Please return to the form to the front office of your child's school. Your child's identity will not be in any report. Schools keep students' health information private. You can get more copies of the form at your child's school or on-line from (<https://www.cde.ca.gov/ls/he/hn/oralhealth.asp>.)

We want your child to be healthy and ready for school! Even though they fall out, baby teeth are very important. Children need healthy baby teeth to eat, talk, smile, and feel

good about themselves. Children with cavities may have pain, difficulty eating, stop smiling and have problems paying attention and learning at school.

Here is important advice to help your child stay healthy:

- Take your child to the dentist. Dental check-ups can keep your child's mouth healthy and pain free.
- Choose healthy foods for the entire family, like fresh fruits and vegetables.
- Brush teeth at least twice a day with toothpaste that contains fluoride.
- Limit candy and sweet drinks like punch, juice, or soda. Sweet drinks and candy contain a lot of sugar, which causes cavities and leaves less room for your child to have healthy foods and drinks. Sweet drinks and candy can also cause weight problems, which may lead to other diseases, such as diabetes. Give your child healthy choices like water, milk, and fruit instead.

If you have any questions about the new oral health assessment requirement, please contact the district office at 209-881-3382

Thank you!

Sincerely,

Lindsey Moore  
District Superintendent
